

“To Prepare for Sherman’s Coming”

The Battle of Wise’s Forks, March 1865

Wade Sokolosky and Mark A. Smith

authors of *“No Such Army Since the Days of Julius Caesar”:
Sherman’s Carolinas Campaign from Fayetteville to Averasboro*

To Prepare For Shermans Coming The Battle Of Wises
Forks March 1865

Wade Sokolosky, Mark Anthony Smith

To Prepare For Sherman's Coming The Battle Of Wise's Forks March 1865:

"*To Prepare for Sherman's Coming*" Wade Sokolosky, Mark A. Smith, 2015-10-19 More than yet another drums and bugles account of a Civil War battle Smith and Sokolosky fully understand the importance of logistics in warfare The Civil War Monitor The Battle of Wise's Forks March 7-11 1865 has long been thought of as nothing more than an insignificant skirmish during the final days of the Civil War and relegated to a passing reference in a footnote if it is mentioned at all Mark A. Smith's and Wade Sokolosky's *To Prepare for Sherman's Coming* erases this misconception and elevates this combat and its related operations to the historical status it deserves By March 1865 the Confederacy was on its last legs Gen William T Sherman was operating with nearly complete freedom in North Carolina on his way north to form a junction with Union forces in Virginia To divert troops away from Sherman Confederate Gen Joseph E Johnston executed a bold but risky plan The Confederates stood for four days and successfully halted advancing Union troops at Wise's Forks This delay provided Johnston with the precious time he needed to concentrate his forces and fight the large and important Battle of Bentonville The clear and crisp writing supplemented with original maps photos and wonderful research means this book deserves a place on the bookshelf of any student of the Carolinas Campaign Eric J Wittenberg award winning Civil War historian and author of *Holding the Line on the River of Death To Prepare for Sherman's Coming* will remain the definitive work on the battle for many years to come Mark L Bradley author of *Bluecoats Tar Heels* "[To Prepare for Sherman's Coming](#)" Wade Sokolosky, Mark Anthony Smith, 2015 History has relegated the Battle of Wise's Forks March 7-11 to little more than an insignificant skirmish during the final days of the Civil War Indeed most histories mention it not at all Mark A. Smith's and Wade Sokolosky's *To Prepare for Sherman's Coming The Battle of Wise's Forks March 1865* erases this misconception and elevates this battle and its related operations to the historical status it deserves By March 1865 the Confederacy was on its last legs Its armies were depleted food and resources were scarce and morale was low Gen Robert E Lee was barely holding on to his extended lines around Richmond and Petersburg and Maj Gen William T Sherman was operating with nearly complete freedom in North Carolina on his way north to form a junction with Union forces in Virginia As the authors demonstrate the fighting that is the subject of this book came about when Lt Gen Ulysses S Grant initiated a broad military operation to assist Sherman The responsibility for ensuring a functioning railroad from New Bern to Goldsboro rested with Maj Gen Jacob D Cox On March 2 1865 Cox ordered his hastily assembled Provisional Corps to march toward Goldsboro In response to Cox's movement Confederate Gen Joseph E Johnston executed a bold but risky plan to divert troops away from Sherman by turning back Cox's advance Under the command of the aggressive but controversial Gen Braxton Bragg the Confederates stood for four days and successfully halted Cox at Wise's Forks This delay provided Johnston with the precious time he needed to concentrate his forces and fight the large and important Battle of Bentonville *To Prepare for Sherman's Coming* is the result of years of careful research in a wide variety of archival sources and relies upon official reports diaries

newspapers and letter collections all tied to a keen understanding of the terrain Sokolosky and Smith both career army officers have used their expertise in military affairs to produce what is not only a valuable book on Wise s Forks but what surely must be the definitive study of one of the Civil War s overlooked yet significant battles Outstanding original maps by George Skoch coupled with period photographs reinforce the quality of this account and the authors commitment to excellence

"No Such Army Since the Days of Julius Caesar" Mark A. Smith,Wade Sokolosky,2017-02-15 Smith and Sokolsky have firmly established themselves within the highest echelon of 1865 Carolinas Campaign historians Civil War Books and Authors Gen William T Sherman s 1865 Carolinas Campaign receives scant attention from most Civil War historians Career military officers Mark A Smith and Wade Sokolosky rectify this oversight with No Such Army Since the Days of Julius Caesar a careful and impartial examination of Sherman s army and its many accomplishments The authors focus on the overlooked run up to the seminal Battle of Bentonville They begin on March 11 1865 with the capture of Fayetteville and the demolition of the arsenal there before chronicling the two day Battle of Averasboro in more detail than any other study At Averasboro Lt Gen William J Hardee s Confederates conducted a well planned and brilliantly executed defense in depth that held Sherman s juggernaut in check for two days With his objective accomplished Hardee disengaged and marched to concentrate his corps with Gen Joseph E Johnston for what would become Bentonville This completely revised and updated edition of No Such Army Since the Days of Julius Caesar is based upon extensive archival and firsthand research It includes new original maps orders of battle abundant illustrations and a detailed driving and walking tour for dedicated battlefield enthusiasts Readers with an interest in the Carolinas Generals Sherman and Johnston or the Civil War in general will enjoy this book Smith and Sokolosky are military historians with a particular interest in what happened in the Carolina States What they bring to the table regarding Sherman and Johnston is remarkable a revelation Books Monthly

Military Review ,2016 *Professional Journal of the United States Army* ,2016 **The Sharpshooters** Edward G. Longacre,2017-01-01 Recruited as sharpshooters and clothed in distinctive uniforms with green trim the hand picked regiment of the Ninth New Jersey Volunteer Infantry was renowned and admired far and wide The only New Jersey regiment to reenlist for the duration of the Civil War at the close of its initial three year term the Ninth saw action in forty two battles and engagements across three states Throughout the South the regiment broke up enemy camps and supply depots burned bridges and destroyed railroad tracks to thwart Confederate movements Members of the Ninth also suffered disease and starvation as POWs at the notorious Andersonville prison camp in Georgia Recruited largely from socially conservative cities and villages in northern and central New Jersey the Ninth Volunteer Infantry consisted of men with widely differing opinions about the Union and their enemy Edward G Longacre unearths these complicated political and social views tracing the history of this esteemed regiment before during and after the war from recruitment at Camp Olden to final operations in North Carolina

America's Buried History Kenneth R. Rutherford,2020-04-21 Masterfully researched destined to

become a classic study of one of the most horrific weapons ever utilized during the Civil War landmines Jonathan A Noyalas director Shenandoah University s McCormick Civil War Institute Despite all that has been published on the American Civil War one aspect that has never received the in depth attention it deserves is the widespread use of landmines across the Confederacy These infernal devices dealt death and injury in nearly every Confederate state and influenced the course of the war Kenneth R Rutherford rectifies this oversight with America s Buried History Landmines in the Civil War the first book devoted to a comprehensive analysis and history of the fascinating and important topic Modern landmines were used for the first time in history on a widespread basis during the Civil War when the Confederacy in desperate need of an innovative technology to overcome significant deficits in material and manpower employed them The first American to die from a victim activated landmine was on the Virginia Peninsula in early 1862 during the siege of Yorktown Their use set off explosive debates inside the Confederate government and within the ranks of the army over the ethics of using weapons that wait As Confederate fortunes dimmed leveraging low cost weapons like landmines became acceptable and even desirable Dr Rutherford who is known worldwide for his work in the landmine discipline and who himself lost his legs to a mine in Africa has written an important contribution to the literature on one of the most fundamental contentious and significant modern conventional weapons A MUST for military history buffs A thrilling and chilling read His Royal Highness Prince Mired Raad Al Hussein UN Special Envoy for Landmine Prohibition Treaty *Obstinate Heroism* Steven J. Ramold,2020-03-15 Despite popular belief the Civil War did not end when Robert E Lee surrendered to Ulysses S Grant at Appomattox Virginia in April 1865 The Confederacy still had tens of thousands of soldiers under arms in three main field armies and countless smaller commands scattered throughout the South Although pressed by Union forces at varying degrees all of the remaining Confederate armies were capable of continuing the war if they chose to do so But they did not even when their political leaders ordered them to continue the fight Convinced that most civilians no longer wanted to continue the war the senior Confederate military leadership over the course of several weeks surrendered their armies under different circumstances Gen Joseph Johnston surrendered his army in North Carolina only after contentious negotiations with Gen William Tecumseh Sherman Gen Richard Taylor ended the fighting in Alabama in the face of two massive Union incursions into the state rather than try to consolidate with other Confederate armies Personal rivalry also played a part in his practical considerations to surrender Gen Edmund Kirby Smith had the decision to surrender taken out of his hands disastrous economic conditions in his Trans Mississippi Department had eroded morale to such an extent that his soldiers demobilized themselves leaving Kirby Smith a general without an army The end of the Confederacy was a messy and complicated affair a far cry from the tidy closure associated with the events at Appomattox **My Dearest Lilla** Gene Schmiel,2023-11-10 Jacob D Cox experienced more facets of the Civil War than most officers by land and sea in both Western and Eastern Theaters among the inner political circles of Ohio and Washington DC in territories hostile and friendly amidst legal conflicts both civilian and military

and in the last campaigns in Tennessee and North Carolina The Union general capitalized on his experience by penning his two volume Military Reminiscences of the Civil War one of the war s finest memoirs and arguably the best by a nonprofessional soldier as well as Atlanta and The Battle of Franklin both definitive studies for nearly a century In 2012 Gene Schmiel Cox s biographer learned of a cache in the Oberlin College archives of 213 letters Cox wrote to his wife Helen during the war Schmiel recognized these documents as a ready resource for Cox as he wrote his histories and many stand as first drafts of Cox s analyses of the military and sociopolitical events of the day Helen Finney Cox her husband affectionately referred to her as Lilla was a mother of six and the daughter of Oberlin College president Charles Finney These intimate and insightful wartime letters show both the fondness Cox had for his spouse and his respect for her as an intellectual equal To Helen the stoic introverted statesman revealed as he did to no one else his inner thoughts and concerns presenting observant lucid and informative reports and analyses of the war his changing life and his ambitions This collection illustrates the life of a Gilded Age Renaissance man as he made the transition from untested soldier to respected general and statesman
