The Twelve Step Pathway Michael Cowl Gordon, 2023-11-01 Uses the hero's journey as the path on which to travel for overcoming addiction and crisis and rescuing your own story This is a book about becoming heroic A hero is a person who faces great danger overcomes incalculable odds and accomplishes that which would have been thought especially by the hero to be impossible to achieve Considering the fear and pain that a person must experience in such an adventure it is a role that few would desire for themselves And yet more of us find ourselves in circumstances demanding heroism than one might imagine In fact people who are never called upon to be heroic at some point in their lives are in the minority if they exist at all This is not a book for people who might want to become heroic someday It is for people who are in the midst of a crisis and who must make a decision about whether they are going to face their situation survive rise above themselves and share their newfound knowledge with others who may need salvation And it is for those who are already traveling such a journey and who would like to gain a new understanding of themselves what their journey was and is about and why it is so important Using the twelve step framework for understanding the inner work a person must do in order to overcome addiction Michael Cowl Gordon walks readers through the journey to inner salvation and peace Using the hero's journey as the path on which to travel through these steps he uncovers the deep work that it takes to be the hero in your own story
