

DAY ON 2 PAGE PLANNER

with VERTICAL HOURLY SCHEDULE

The image displays a two-page planner template. The left page, titled "DAY PLAN", is designed for a vertical hourly schedule. It includes a header for the date and time, followed by two main columns: "MORNING" and "EVENING". Each column contains 24 horizontal lines, corresponding to the hours of the day. The right page, titled "DAY NOTES", provides a large, open space for writing with horizontal lines. Both pages feature a footer with the text "Pink Moon Planner Shop".

Summary: Time Management Magic BusinessNews Publishing, 2016-07-20 The must read summary of Lee Cockerell's book *Time Management Magic: How to Get More Done Every Day and Move From Surviving to Thriving*. This complete summary of the ideas from Lee Cockerell's book *Time Management Magic* explains that most people are not overworked; they are under-organized. Lack of organization can make you feel like you have no time to get things done and affects both your personal and professional life. The author suggests a very simple, easy-to-use time management system: all you need is a planner and a smartphone. By actively thinking about how you use your time and eliminating any time-wasters, you will be able to get the most out of your day and be more productive. This summary will help you get started today so you can take back control of your time and your life. Added value of this summary: Save time. Understand the key concepts. Increase your business knowledge. To learn more, read *Time Management Magic* and start making the most of your time today. *Get Organized Without Losing It* Janet S. Fox, 2018-04-06 Revised full-color edition of a popular how-to guide offers practical, humorous help for kids who want to manage their tasks, time, and stuff. In the quest for school success, not to mention a happy home life, kids have a lot to juggle: schoolwork, friends, activities, chores, bedrooms, electronics, lockers, and desks. *Get Organized Without Losing It* provides friendly, entertaining help for kids who want to manage their tasks, time, and stuff without going overboard or being totally obsessed. Empower kids to conquer clutter, prioritize tasks, master their devices, not the other way around. Supercharge study skills, handle homework, and prepare for tests. Stop procrastinating and start enjoying less stress and more success. Tips, examples, lists, and steps make it doable. Jokes and cartoons make it enjoyable. [SuperCompetent](#) Laura Stack, 2010-08-26 To be successful in the business world and reach your full potential in life, it's not enough to be simply competent. Our modern, super-competitive world is full of opportunities for the go-getter, but to take advantage of them, it's essential to become SuperCompetent. The SuperCompetent person is one that companies fight to get, fight to keep, nurture as team players, and see as future leaders in their business growth. But SuperCompetence isn't something you're born with; it's something that you can learn, no matter where your strengths lie or what industry you work in. In *SuperCompetent*, productivity expert Laura Stack identifies the behaviors that build leadership skills, boost organizational efficiency, and blast high-potential producers to the top of their fields. With Stack's Six Keys, you'll be able to consistently improve your performance, develop the confidence that will propel you forward, and achieve breakthrough results in your career. **Activity** The value and importance you place on your tasks and priorities. **Availability** The ability to master your schedule and protect your time. **Attention** The capacity to focus intently and concentrate on critical activities. **Accessibility** The skill to organize your workflow and quickly find information. **Accountability** The extent to which you assume personal responsibility for your actions and outcomes. **Attitude** The intensity of your motivation drive and proactiveness. With worksheets and quizzes that help you evaluate your performance at every stage and invaluable resources for further information, you'll be able to integrate the Six
