Van and finally camping conversions VW Bus and Pick-Up: Special Models David Eccles, Michael Steinke, 2011-10-15
Since its introduction in 1950 the Volkswagen Transporter has become legendary for its versatility and adaptability to many commercial uses. Known originally as Sonderausführungen abbreviated to SO these Special Models were usually converted by specialists, companies and coachbuilders approved by VW. Using archive promotional materials and period and contemporary photographs this book traces the development and variety of these SO and other Special Body conversions from 1950 to 2010 across the five generations from T1 to T5 **The Volkswagen Bus Book** Malcolm Bobbitt, 2016-11-15 This is the story of VW's timeless classic the Type 2 Transporter universally known as the Bus. It is sixty years since the idea of VW's Transporter was conceived by Dutchman Ben Pon after seeing motorized trollies conveying components around the British managed Wolfsburg factory in the mid 1940s. With blueprints complete by November 1948 the Bulli as it was known in Germany went into production a year later. The 100 000th Transporter was built in October 1954 the millionth in 1961 and the 3 millionth in 1971 the total number of vehicles exceeding 6.5 million. The Transporter changed little in concept throughout decades of production and remained in production in Brazil until very recently nearly six decades after its postwar German debut. Researched in incredible detail this book explores the story of the VW bus from early origins through to the present day. This entirely new edition includes details of many of the different camper conversions and examines the social history and the T2's evolution. Including full specifications, production figures and buying advice this totally reworked classic is an interesting, highly informative read and a must for any VW enthusiast *Volkswagen Bus/Camper/Van, 1979-89, 1989-08* **How to Convert Volkswagen Bus or Van to Camper** Lindsay Porter, 2004-08-27 This volume contains detailed step by step instructions for converting a VW Transporter van or bus to a Camper. It gives advice on how to choose the best van for your needs and prepare it, how to plan the layout and choose fittings, how to fit an elevating roof, how to cut panels and fit utilities.
