Globalization, Competition and Growth in China Jian Chen, Shujie Yao, 2006-04-18 Presenting original work and new thinking this book explores the current state of globalization competition and growth in China

Tales from the Marketplace Nigel F. Piercy, 2012-10-02 Tales from the Marketplace Stories of Revolution Reinvention and Renewal is a highly innovative approach to building an understanding of the realities of market led strategic change in companies It provides an engaging honest and effective understanding of real market strategy in major organizations by focussing on the forces behind value driven strategy Nigel Piercy provides new and incisive insights into strategy and marketing through business stories that are contemporary and provocative These new stories depict how major organizations have experienced revolution in their traditional markets created by new types of competitors with new business models The search for superior value is overtaking traditional brand and relationship strategies The challenge to companies is reinvention and renewal and the alternative is obsolescence and decline After all did the major banks really expect to be competing with supermarkets car companies Virgin and internet based companies to provide retail bank services The book is based on the author's view that Business is exciting turbulent and unpredictable the stories we read and study should be too From Dell Computers and easyJet to Amazon.com and Skoda Cars it is the most innovative companies that have most to teach us about reinvention and new business models The inflexible analytical frameworks of the past no longer apply stories of reinvention and renewal show the creative strategies developed by companies to cope with threats and exploit opportunities around them Tales from the Marketplace is essential timely and designed to be highly readable for managers It also provides an innovative approach for undergraduate and MBA level teachers and students and for participants on executive programmes in marketing and strategic management

Labour Relations in Central Europe Dr Jochen Tholen, 2012-10-01 Since 1990 foreign direct investment FDI has quickened economic modernization in Central Europe State of the art management techniques and cutting edge technology have been introduced in many cases Labour Relations is an essential factor in the organization of labour and production At the start of the process industrial relations were characterized by the conditions existing under the previous planned economies or as with greenfield investments had to be entirely reconfigured In the case of investments by West European companies this book reveals various emerging models of industrial relations but also a clear tendency towards company centralization For the time being the European Works Council still plays a subordinate role despite its potential fundamental role as mediator between East and West Empirically nine corporations from the metal automotive industry the chemical energy and food processing

industries with their subsidiaries in Poland Czech Republic and Slovakia are considered
