4th Michigan Infantry in the Civil War Martin N. Bertera, Kim Crawford, 2010-10-01 This fascinating narrative tells the story of a remarkable regiment at the center of Civil War history. The real life adventure emerges from accounts of scores of soldiers who served in the 4th Michigan Infantry gleaned from their diaries, letters and memoirs, the reports of their officers and commanders, the stories by journalists who covered them, and the recollections of the Confederates who fought against them. The book includes tales of life in camp, portraying the Michigan soldiers as everyday people recounting their practical jokes, illnesses, political views, personality conflicts, comradeship and courage. The book also tells the true story of what happened to Colonel Harrison Jeffords and the 4th Michigan when the regiment marched into John Rose's wheat field on a sweltering early July evening at Gettysburg. Beyond the myths and romanticized newspaper stories, this account presents the historical evidence of Jeffords's heroic yet tragic hand-to-hand struggle for his regiment's U.S. flag.
