QUESTION I have a question about the article on the new study of the effects of the 1994 earthquake on the health of children in the Los Angeles area. The article states that the earthquake caused a significant increase in the number of children who were injured or killed. I am interested in knowing more about the specific health problems that were reported in the study. Could you provide more information on this topic?

Walther P99 User Manual:

The Theatrical Firearms Handbook Kevin Inouye, 2014-05-30 The Theatrical Firearms Handbook is the essential guide to navigating the many decisions that are involved in the safe and effective use of firearm props for both the stage and screen. This book establishes baseline safety protocol while empowering performers and designers to tell their story of conflict in a way that makes the most of both established convention and current tools of the trade. Within these pages are practical instruction couched in the language of theatre and film making; firearms technology and concepts approachable to dramatic artists without any dumbing down of the subject material. It contains over 100 illustrations. This handbook is equally at home within the worlds of academic training, professional performance and independent or community theatre and video productions and is an invaluable resource for fight choreographers, props designers, backstage crew, directors, actors, stage managers and more at all levels of experience. *Jane's Guns Recognition Guide 5e* Richard D.
