International Exhibitions 1840-1940 Marta Filipová, 2017-07-05 Beyond the great exhibitions expositions universelles and
world fairs in London Paris or Chicago numerous smaller yet ambitious exhibitions took place in provincial cities and towns
across the world Focusing on the period between 1840 and 1940 this volume takes a novel look at the exhibitionary cultures
of this period and examines the motivations scope and impact of lesser known exhibitions in for example Australia Japan
Brazil as well as a number of European countries The individual case studies included explore the role of these exhibitions in
the global exhibitionary network and consider their marginality related to their location and omission by academic research
so far The chapters also highlight a number of important issues from regional or national identities the role of modernisation
and tradition to the relationship between capital cities and provincial towns present in these exhibitions They also address
the key topic of colonial exhibitions as well as the displays of arts and design in the context of the so called marginal fairs
Cultures of International Exhibitions 1840 1940 Great Exhibitions in the Margins therefore opens up new angles in the way
the global phenomenon of a great exhibition can be examined through the prism of the regional and will make a vital
contribution to those interested in exhibition studies and related fields **Parijs en de wereldtentoonstelling in 1867**

World's Fairs Erik Mattie,1998 As showcases of design architecture technology industry and politics world s fairs have served as overviews of society s accomplishments as well as barometers of the optimism for the future While many of the products and ideas promoted at past fairs never materialized many became commonplace television for example was first shown at the 1939 New York fair Similarly while many buildings and landscapes built for fairs have become world wide icons the Eiffel Tower the Crystal Palace the Barcelona Pavilion the Seattle Space Needle the Buckminster Fuller Dome in Montreal hundreds of splendid structures have been forgotten
