Pound for Pound Shannon Kopp,2015-10-06 The brave inspiring story of one woman s recovery from a debilitating eating disorder and the remarkable shelter dogs who unexpectedly loved her back to life The dogs don t judge me or give me a motivational speech They don t rush me to heal or grow They sit in my lap and lick my face and make me feel chosen And sometimes it hits me hard that I m doing the exact thing I say I cannot do Changing Pound for Pound is an inspirational tale about one woman s journey back to herself and a heartfelt homage to the four legged heroes who unexpectedly saved her life For seven years Shannon Kopp battled the silent horrific and all too common disease of bulimia Then at twenty four she got a job working at the San Diego Humane Society and SPCA where in caring for shelter dogs she found the inspiration to heal and the courage to forgive herself With the help of some extraordinary homeless animals Shannon realized that her suffering was the birthplace of something beautiful Compassion Shannon s poignant memoir is a story of hope resilience and the spiritual healing animals bring to our lives Pound for Pound vividly reminds us that animals are more than just friends and companions they can teach us how to savor the present moment and reclaim our
