East Indian Music in the West Indies Peter Lamarche Manuel, Trinidadian sitarist composer and music authority Mangal Patasar once remarked and tan singing You take a capsule from India leave it here for a hundred years and this is what you get Patasar was referring to what may be the most sophisticated and distinctive art form cultivated among the one and a half million East Indians whose ancestors migrated as indentured laborers from colonial India to the West Indies between 1845 and 1917 Known in Trinidad and Guyana as tan singing or local classical music and in Suriname as baithak gana sitting music tan singing has evolved in to a unique idiom embodying the rich poetic and musical heritage brought from India as modified by a diaspora group largely cut off from its ancestral homeland In recent decades however tan singing has been declining regarded as quaint and crude by younger generations raised on MTV Hindi film music and disco At the same time Indo Caribbeans have been participating in their countries economic political and cultural lives to a far greater extent than previously Accompanying this participation has been a lively cultural revival encompassing both an enhanced assertion of Indianness and a spirit of innovative syncretism One of the most well known products of this process is chutney a dynamic music and dance phenomenon that is simultaneously a folk revival and a pop hybrid In Trinidad it has also been the vehicle for a controversial form of female empowerment and an agent of a new more inclusive conception of national identity Thus East Indian Music in the West Indies is a portrait of a diaspora community in motion It documents the social and cultural development of a people without history a people who have sometimes been dismissed as foreigners who merely perpetuate the culture of the homeland rather than becoming truly Caribbean Professor Manuel shows how inaccurate this characterization is On the one hand in the form of tan singing it examines the distinctiveness of traditional Indo Caribbean musical culture On the other in the form of chutney it examines the new assertiveness and syncretism of Indo Caribbean popular music Students of Indo Caribbean music and curious world music fans alike will be fascinated by Professor Manuel s guided tour through the complex and exciting world of Indo Caribbean musical culture *From Indians in Trinidad to Indo-Trinidadians* N. community namely the Indo Trinidadians It combines social history with first hand fieldwork data to portray human ingenuity in terms of social reconstitution and community building in a hostile socio cultural environment Furthermore it addresses key social institutions religion caste and family and cultural elements language foodways and ethnicity Its analytical framework is guided by the concept of metamorphosis it steers clear of the persistence versus change hypotheses Given its focus it will be of interest to students and scholars of sociology social anthropology history and migration and diaspora studies A Dictionary of Urdu, Classical Hindi, and English John Thompson Platts, 2000 URDU HINDI ENGLISH **Census of India, 1911** ... India. Census Commissioner, 1912 *The Heir* SHASH BENURWAR, 2020-02-07 Set in the last century starting from the mid thirties to the end of the millennium this is a story of a Marathi Brahmin Family that goes through many ups and downs through the sands of time Over the years due to variety of reasons Brahmins have lost their foothold in the same land they call their own starting from social boycott for their religious fanaticism coming out of their vanity about superiority over the other castes to the total devastation after Gandhi's assassination and land reforms The matriarch of the family though undereducated by today's standards is worldly wise and carries the burden of entire families from both sides courageously and comes out valiant in her efforts to keep the dignity of her husband's family intact She has a secret hidden deep down in the labyrinths of her mind that if surfaced would have not only devastated the entire family but would have tarnished the image held so far in high esteem While doing so she has to make many sacrifices on her personal front which she braves nonchalantly without compromising either on her poise or intelligence All in all *The Heir* is the story of marginalized Brahmins in today's context who too had to face the hell to reach where they are today through their perseverance and intelligence Allied Chambers transliterated Hindi-Hindi-English dictionary Henk W.
