What Does the Bible Teach About Tithing? United Church of God, 2014-02-03 Does tithing teach timeless principles and lessons even in today's modern world You need to understand God's perspective on this vital issue Inside this Bible study aid booklet *Why Tithe in Today's World How Is the Work of God Accomplished Today Questions and Answers About Tithing Does the Bible Describe More Than One Tithe* *The LORD Has It Under Control: What the Bible Teaches About the Sovereignty of God (hardback)* Gary F. Zeolla, 2015-04-08 This book is for the person struggling in life and for the person struggling with how God sovereignly works in people's lives It goes through the Bible more or less in order from the first verse of Genesis to the last verse of The Revelation It discusses both general principles and specific issues Along the way I relate examples of how I believe the sovereignty of God has been operating in my life in hopes that my experiences will help the reader to apply the principles to your life This book also addresses the question of the relationship of God's sovereignty to the human will or volition

Should the Church Teach Tithing? Russell Earl Kelly, 2001-01-11 Following a thorough examination of every biblical text on tithing Dr Kelly concludes that the church would be best served spiritually by believing and applying better New Testament principles of giving After discussing sound biblical reasons for Christians to replace tithing he presents God's better principles of grace Doctrines such as the New Testament concept of law and covenant and the priesthood of believers are presented as they affect tithing Following several chapters which discuss disputed texts relating to pastoral support this book traces the early development of church support as found in the Church Fathers before Nicea This book leaves no question or objection about tithing unanswered It is a must read for any serious Bible student There is a wealth of other doctrinal insights to be gained as one goes through the Bible in search of the truth about tithing

What Tithing Is Not, What Nation Is He Speaking To William Thomas Gregory, 2003-07 **What the Bible Says About...** Scott Dalton Myers, 2024-02-12 The Bible God's inspired unerring and infallible Word is truly His instruction manual for life and a moral compass for us all to live by It tells us what is good what is bad what is right and what is wrong Unfortunately many people believe that the Bible is no longer relevant today and was only applicable in biblical times The Bible itself tells us quite the opposite The issues and problems we face today are essentially the same as those faced by man in biblical times Human nature has not changed and God has not changed Only the times have changed The Bible has plenty to say about the issues people encounter every day

from the beginning of life to the end of life I have addressed many of these in this book The Evidence of God s Existence Who Was and Is Jesus Being Saved Forgiveness Trials and Tribulations What Happens When You Die Families and Fathers Humility Worrying Depression The Environment and Nature Racism Abortion Homosexuality Adultery Transgenderism Alcohol Drugs and Addiction The Death Penalty The Right to Bear Arms Government Leadership Man s Laws and God s Laws Suicide Money and the Rich Natural Disasters Satan Demons and the Supernatural Creation the Biblical Timeline and the Age of the Universe and others People today are pretty much the same as people were in biblical times Basic human nature and the human condition being born into sin have not changed We face the same challenges the same temptations and the same trials and tribulations as the early Christians did The Bible contains advice and guidance on every possible issue or situation we face if we only look to it for that guidance and direction and pray to God for wisdom and discernment In hope of eternal life which God that cannot lie promised before the world began Titus 1 2 That by two immutable things in which it was impossible for God to lie we might have a strong consolation who have fled for refuge to lay hold upon the hope set before us Hebrews 6 18 All scripture is given by inspiration of God and is profitable for doctrine for reproof for correction for instruction in righteousness 2 Timothy 3 16 The grass withereth the flower fadeth but the word of our God shall stand for ever Isaiah 40 8 Jesus Christ the same yesterday and today and forever Hebrews 13 8 9 For I am the Lord I change not Malachi 3 6 Finally you we should read the Bible like a love letter not a textbook John 3 16 tells us For God so loved the world that He gave His only begotten Son that whosoever believeth in Him should not perish but have everlasting life

What the Bible Teaches on Tithes and Offerings Emmanuel Oladipo, 2019-08-05 A Christian couple is having financial difficulties A civil servant has had a series of accidents with his car A businessman is duped in a massive scam They go to respected Church leaders for counselling One of the questions asked is whether or not they pay their tithe regularly because failure to pay it could be the reason for their problems After all the Bible places a curse on those who fail to pay their tithe Will a man rob God Yet you rob me But you ask How do we rob you In tithes and offerings You are under a curse the whole nation of you because you are robbing me Bring the whole tithe into the storehouse that there may be food in my house Test me in this says the LORD Almighty and see if I will not throw open the floodgates of heaven and pour out so much blessing that you will not have room enough for it Malachi 3 8 10 It seems straightforward and plain enough These are the exact words of the Prophet to the people of Israel The curse was on them because they did not pay their tithes We can read through the whole chapter and the whole Book and we shall find that this is not taking a verse out of context The question is how to apply to us here and now what was said to them there and then If we are to handle the word of God correctly on this important subject however a more detailed study of the relevant Scriptures is required Then we shall be able to establish that the curse which applied to the people of Israel in Malachi s day does not apply to the Christian couple the businessman or the civil servant in the Church today Our desire is to find out and explain clearly what the Bible teaches on the matter We want

to understand these words not only in the context of one Book of the Bible but in the context of both the Old Testament and the New That is why we are combing through the entire Bible to bring out all of the main passages that deal with tithes and offerings The format is a set of Questions and Answers Our prayer is that every reader would have their questions answered sufficiently to set them free to live a life of joyful giving without the fear of a curse To each one of us individually and to all of us together as a community of His people may the Lord grant to us truly to know the blessedness of giving *Opening the Windows of Heaven* B. G. Hamon,2005-01-01 [Tithing or the Ministration of God's Spirit](#) Pierre Erickson,2020-02-05 Included in this writing is Old Covenant instruction to Israel showing that they were required to tithe as a way of support for the temple and the Levitical Priesthood Those instructions are very clear as to what they were to take tithes from and to whom those tithes were to be given Under the New Covenant that temporary physical system was replaced by an eternal spiritual system of support for ministers who teach the gospel They are to be provided for in a way superior to tithing and this work points out what the Bible says about it *Church Administration* Clifford Mushishi,2010-07-14 This book on church administration is a tool for all pastors and leaders in all churches It provides ideas methods guidelines and styles of administering and supervising modern day congregations and religious organizations in an easy to follow language It can be used for any clergy or lay training retreat spiritual formation workshops and seminars Theological or Bible institutions or universities which offer courses in church administration will find this book most helpful Individuals can use it for their personal spiritual development It also carries a devotional and motivational aspect which every spiritual leader cannot afford to miss
