These include a list of trucks, SUVs, and vans that are exempt from the luxury car caps because they weigh more than 6,000 pounds; trucks with a bed length under six feet which are subject to a \$25,000 section 179 depreciation cap; a list of states that conform to the federal bonus depreciation and section 179 expensing rules; and a comprehensive table of assets and corresponding recovery periods with cross-references to the location of the related U.S. Master Depreciation Guide explanation. Published annually, this new edition is completely updated to reflect all depreciation rule changes through press time in December.
