Undeniable Faith Cassandra Leigh, 2025-05-06 Undeniable Faith is a true story of faith in God and the miracles that he can do for you if you give him half the chance I trusted God with my life at an early age and throughout my life I came back to him for he was the constant friend I came running to help me navigate the lies and deception of my family of birth and the abuse I endured at the hands of relatives long before I was a teenager compounding the mistakes by running from my past No one knew the hurt I carried privately for many years as I was a young girl in public school trying to survive adolescence like any other student during the eighties being bullied and name called by classmates for no reason at all As I grew and gained freedom I thought I was free from the constant input of my sister and my family but was I The monster that plagued my mind chased me for years and continued to chase me until my God set me free These horrific memories almost destroyed my life and my relationships until God healed me and set me free Join me in the journey of my life love and the healing that can only come from God
