The Editor Function Abram Foley, 2021-08-31 Offering the everyday tasks of literary editors as inspired sources of postwar literary history Michel Foucault famously theorized the author function in his 1969 essay What Is an Author proposing that the existence of the author limits textual meaning Abram Foley shows a similar critique at work in the labor of several postwar editors who sought to question and undo the corporate editorial industrial complex Marking an end to the powerful trope of the editor as gatekeeper The Editor Function demonstrates how practices of editing and publishing constitute their own kinds of thought calling on us to rethink what we read and how The Editor Function follows avant garde American literary editors and the publishing practices they developed to compete against the postwar corporate consolidation of the publishing industry Foley studies editing and publishing through archival readings and small press and literary journal publishing lists as unique sites for literary inquiry Pairing histories and analyses of well and lesser known figures and publishing formations from Cid Corman's Origin and Nathaniel Mackey's Hambone to Dalkey Archive Press and Semiotext e Foley offers the first in depth engagement with major publishing initiatives in the postwar United States The Editor Function proposes that from the seemingly mundane tasks of these editors routine editorial correspondence line editing list formation emerge visions of new better worlds and new textual and conceptual spaces for collective action

Big Fiction Dan Sinykin, 2023-10-24 Shortlisted 2024 SHARP Book History Book Prize Society for the History of Authorship Reading and Publishing In the late 1950s Random House editor Jason Epstein would talk jazz with Ralph Ellison or chat with Andy Warhol while pouring drinks in his office By the 1970s editors were poring over profit and loss statements The electronics company RCA bought Random House in 1965 and then other large corporations purchased other formerly independent publishers As multinational conglomerates consolidated the industry the business of literature and literature itself transformed Dan Sinykin explores how changes in the publishing industry have affected fiction literary form and what it means to be an author Giving an inside look at the industry's daily routines personal dramas and institutional crises he reveals how conglomeration has shaped what kinds of books and writers are published Sinykin examines four different sectors of the publishing industry mass market books by brand name authors

like Danielle Steel trade publishers that encouraged genre elements in literary fiction nonprofits such as Graywolf that aspired to protect literature from market pressures and the distinctive niche of employee owned W W Norton He emphasizes how women and people of color navigated shifts in publishing arguing that writers such as Toni Morrison allegorized their experiences in their fiction Big Fiction features dazzling readings of a vast range of novelists including E L Doctorow Judith Krantz Renata Adler Stephen King Joan Didion Cormac McCarthy Chuck Palahniuk Patrick O Brian and Walter Mosley as well as vivid portraits of industry figures Written in gripping and lively prose this deeply original book recasts the past six decades of American fiction *Up is Up, But So is Down* Brandon Stosuy, 2006-10 The first book to capture the spontaneity of lower
