Walking The Tightrope The Private Confessions Of A Public Relations Man:

Walking the Tightrope Henry C. Rogers, 1982 Rogers tells of the building of Rogers Cowan Hollywood's most successful public relations firm offering behind the scenes glimpses of his most challenging campaigns and maverick strategies His Way Kitty Kelley, 2010-11-10 1 NEW YORK TIMES BESTSELLER With a new afterword by the author in honor of Frank Sinatra's 100th birthday This is the book that Frank Sinatra tried but failed to keep from publication and it's easy to understand why This unauthorized biography goes behind the iconic myth of Sinatra to expose the well hidden side of one of the most celebrated and elusive public figures of our time Celebrated journalist Kitty Kelley spent three years researching government documents Mafia related material wiretaps and secret testimony and interviewing more than 800 people in Sinatra's life family colleagues law enforcement officers friends The result is a stunning often shocking exposé of a man as tortured as he was talented as driven to self destruction as he was to success Featuring a new afterword by the author this fully documented highly detailed biography filled with revealing anecdotes is the penetrating story of the explosively controversial and undeniably multitalented legend who ruled the entertainment industry for fifty years and continues to fascinate to this day Praise for His Way The most eye opening celebrity biography of our time The New York Times A compelling page turner Kitty Kelley's book has made all future Sinatra biographies virtually redundant Los Angeles Herald Examiner 21st Century Communication: A Reference Handbook William F. Eadie, 2009-05-15 The discipline of communication has grown in popularity from the time professors of journalism and speech decided in the mid 1960s that the term communication was an excellent general descriptor for the theory and research that each group aspired to create Over time the two groups grew closer and recognized significant overlap in their theoretical and research interests but there were also differences in their traditions that kept them apart While both groups agreed that communication is a practical discipline journalism professors focused a great deal of their attention on the education of media professionals Speech professors on the other hand often were more oriented to the liberal arts and valued the fact that communication could be approached from a variety of traditions including the arts humanities social sciences and even the sciences A key term in 21st Century communication however is convergence Not only are media and technology converging with each other to produce new means of communicating but individuals are increasingly using both new and existing communication tools to create new forms of communication This convergence forces the various camps within the communication discipline to draw upon each other's theories and research methods to keep up with explaining the rapidly changing communication environment This convergence of ideas and theories provides a space to challenge conventional ways of thinking about the communication discipline and that's the goal of the SAGE 21st Century Reference Series volumes on Communication General Editor William F Eadie has sought to honor the diversity of the study of communication but also integrate that diversity into a coherent form dividing communication study into four basic properties 1 processes 2 forms and types of communication 3
