What God Has Joined Together

Peter J. Elliott

What God Has Joined Together:

What God Has Joined Together Robert H. Vasoli, 1998-04-16 The recent controversy over Joe Kennedy's annulment gave only a glimpse of American Catholicism's open secret that contrary to official Catholic doctrine American churches grant annulments wholesale freely declaring marriages nonexistent so that one or both partners can remarry in the church. The United States is home to only 6% of the world's Catholics Robert Vasoli points out but it now accounts for 75% of all Church annulments two thirds of which are granted on ostensibly psychological grounds. The real scandal though is not simply the numbers but that Church marriage courts annul thousands of marriages that are actually valid according to Catholic teaching. Drawing on considerable research the author details precisely how these courts let divorced Catholics and many non Catholics as well bypass Catholic teaching and law. He shows for instance how they often help petitioners manufacture grounds for annulment which are justified with specious psychological reasoning that are counter to the letter and spirit of canon law. Indeed it may even be alleged that lack of emotional maturity at the time of the wedding can invalidate marriages that have lasted 30 years. The result has been a tidal wave in 1968 the American church granted fewer than 600 annulments today it hands out more than 60 000 a year. But Rome has not smiled on the performance of U S tribunals of those psychological annulments appealed to the Roman Rota the Vatican's highest marriage tribunal more than 90% are overturned. This revealing look at annulment weaves painstaking analysis with a wealth of evidence as it illuminates the degree to which the U S Church has gone its own way since Vatican II on what constitutes valid marriage.

What God Has Joined Together A Marriage Maintenance Guide for Christian Couples Poiette McGill Bromell, 2010-10-25 If you're ready to set your marital house in order and get your marriage back on track this book is for you. Every chapter is written with the aim of a genuinely happy spiritually centered marriage in mind. This is not a research based document there are plenty of those available if you are so interested. It is rather the account of one married couple who has found a way to be happy and spiritually whole in an anti commitment era. I am privileged and overjoyed to share these observations and experiences with fellow Christians and others who seek to live to the glory of God in the bonds of holy matrimony. Poiette

What God Has Joined Together Larry Adams Ed D, 2023-05-09 In this book I attempt to re-examine relationships in light of scripture for the purpose of revealing some misunderstood truth about relationships. I hope to provide the reader with a view of Relationship in light of how God would have us view it from a spiritual perspective. A relationship is the process of becoming one in unity with each other. It cannot be done by man alone even as a world view. A healthy relationship is a spiritual relationship. We need to look deeper into the word of God for understanding what God has joined together not just in marriage but in our entire lives. In our society today we want to take what God has created and make it work our way. When it comes to a relationship we selfishly replace that responsibility with our personal desires. We are expecting the relationship to work under our control and understanding giving no thought to the fact we really have no foundation for that relationship to

stand Even in considering the things that are most valuable to us in a relationship the appearance personality character money sex or even intelligence are not foundations for a relationship They may be valuable to us but not enough to base our lives on They are not even stable themselves because nothing stays the same but God When we have our own values and put them in the place of righteousness we will never be able to see or understand the truth Our feelings and our values combined are a deadly combination for making decisions morally or ethically if not guided by the principles of God Therefore In a Relationship we should consider a required commitment with the understanding of what that means spiritually and physically A relationship must be about oneness and with love In order to understand a relationship we need to understand God s will for our lives

What God Has Joined Peter J. Elliott,2010-03-01 Much has been written about marriage from the sociological and psychological point of view and as an object of civil and canon law But in terms of systematic theology this treatment of marriage as a sacrament may very well be unique Every effort has been made to keep the text from becoming too academic while at the same time providing the average educated reader with a wealth of original insights into the mystery of marriage in creation and as transformed by Christ Chapters cover sacramental consent bond and covenant as well as the quest for the sign Such thorny problems as the role of faith in the sacrament marriage with an unbaptized person the most pressing ecumenical questions and the relationship between the sacrament and contraception are studied in depth Finally the sacrament of family is treated at some length with an eye to its social and redemptive dimensions

What God Has Joined Together... Or Not R'chelle Cyrus-Hughes,2019-05-03 Most people know the Bible verse What God has joined together let not man separate Mark 10 9 and believe it to mean that every marriage is a union ordained and blessed by God Unfortunately this is not so God is not obligated to bless every marriage Yet I believe every married couple wants a good and successful marriage right If this is so then every married couple should want their marriage to be blessed However the Bible tells us that the opposite of blessed is cursed which is the way of the world and no one wants that According to God who created marriage there is no middle ground here Every marriage like every man will go one way or the other So I ask you this question Where is your marriage going God s way or the world s A book from the Victory Vignettes collection of power packed inspirational short reads

The Command of Melchizedek Daniel

Oyegun,2017-04-24 The Command of Melchizedek dwells upon often overlooked verses of scripture and the deep spiritual import of these prophetic writings from a theological and deep thinking perspective it expands on the person of Melchizedek and the attendant order and command which followed the ascension of Jesus into heaven which order states Let all the Angels of God worship him and also Worship Him all you gods It reaches into the mind of Moses when he wrote Genesis opening with these words from the Torah Beresiyt Bara Elohim meaning In the beginning Gods created and not God created as we know it It lights up in our hearts the truth of the creator making Adam and Eve male and female expressly in their own image and likeness after the Father and the Mother

Marriages Designed In Heaven Gaylon West,2015-01-18

The subject of marriage is a timely subject The Bible simply defines marriage as a man takes a woman Happiness and well being in marriage is based on a specific design This design along with society's mores civil government expectations and ecclesiastical laws and fantasies are addressed Jesus message is compared and or contrasted with Moses the Prophets the Pharisees the Apostles and Medieval church leaders Over 40 translations of the Bible were consulted in addition to comparing the ancient Hebrew with its Greek equivalents through interlinears word studies lexicons dictionaries textual variants and scholastic articles and comments The appendix gives the history of Christendom's changing positions on marriage divorce and remarriage

Life of Christ Robert Geis,2013-03-08

Life of Christ bridges the gap between commentaries and devotional accounts of Christ's ministry Applying the requisite

analytical tools it addresses the question is His life worth studying The Resurrection event would confirm it is as would the Gospel miracle accounts neither of which Geis argues skeptical response disproves Salvation history necessitates the reality of Mary's virginity which the author develops lexically and theologically Jesus teachings and parables bring out a Christ Whose moral precepts are rooted in His Divinity and not in western philosophic nostrums Geis discussion of Christ on marriage and His commandment of love sharpens this observation with lexical application He also addresses the inconsistent objectives and circular reasoning of various exegetical schools which have no place in a study of the Gospels

"Oneness"

a Touch of Truth Dr. Wayne E. Whaley, 2023-06-14 This book originated from what I considered the indistinguishability of what is known as truth The fact that we communicate with one another and contemplating the ways as well as the various languages spoken lead to this manuscript There are over 7 000 languages spoken today and one may wonder where do we go from here Are there languages being created today Do languages died And more specifically will we all speak the same language one day These are questions just a few questions I am sure we all have ask ourselves at soon time or another With the increasing demand to have quick access and to be able to use various forms of to communicate it is interesting to realize that humanity has always had one language in many variations The commonality between languages of one race and another is so similar that if one listen carefully they hear the likeness between languages An example of this is American English and the German language The ultimate language that each of us will finally speak and comprehend to communicate may be considered pure Language
