What I Did On My Midlife Crisis Vacation:

What I Did on My Midlife Crisis Vacation Debbianne DeRose, 2012 This saucy memoir is the oh so honest and humorous account of the author's personal journey through a string of compelling adventures and ideologies of the woo woo kind Her story begins with confusion and discontentment that catalyzes bold life changes and sends her roaming in search of magic miracles and a deeper grasp of the metaphysical nature of reality In a unique style akin to confessional reporting she shares with you her keen insights into human behavior as you meet a plethora of colorful characters and occasional charlatans With some good belly laughs she effectively sorts out the wheat from the chaff both within herself and the New Age world she's romping in It becomes an inadvertent healing pilgrimage full of expansive revelations and through the process of enlightening up she emerges clear headed and self empowered with inspiration to spare 77 000 word eBook

Struck Douglas Segal, 2018-09-28 One of life's biggest clichés becomes a horrific reality when Douglas Segal's wife and young daughter are hit head on by a Los Angeles city bus Miraculously his daughter was unharmed but his wife faced a series of life threatening injuries including the same one that famously left Christopher Reeve paralyzed Following the accident Segal began sending regular email updates to their circle of friends and family a list that continued to grow as others heard of the event and were moved by the many emotional and spiritual issues it raised Segal's compelling memoir is

an intimate and honest chronicle built around these email updates and is a profound example of how people show up for one another in times of crisis Alternatingly harrowing humorous heartbreaking and hopeful this is an uplifting tribute to love determination and how the compassion of community holds the power to heal serving as an inspiring testament to the resilience of the human spirit when faced with pain and adversity Comical Vacations Book 2 Maureen Reil,2017-01-21

Comical Vacations 2 Three Book Bundle Contents The Finch Family Holiday 3 It is that time of year again folks yes summer is here so batten down the hatches because the Finch family are heading for Cornwall to stay in a holiday home by the sea with its own secluded beach Sounds idyllic sounds relaxing and sounds like a lot of fun in the sun so one out of three is not bad since all is not what it seems and how is Kitty Finch supposed to chill out when there are certain people winding her up from start to finish As extra members of the clan are joining them for the ten day humorous adventure sparks could fly if someone lit a match to ignite the tension sexual or otherwise There are days out to look forward to in Cornwall where the Finch family discover new things try out new stuff and resort to old tricks when needed Will Kitty s cousin get the better of her on this comical vacation Will Kitty Finch be involved in any holiday romances or just watching from the sidelines as per usual Will a cardboard figure and a knitted scarecrow survive the vacation to go on another one So come along and catch up with the funny Finches as they show you what having a British family holiday is about The Finch Family Holiday 4 This year s Finch family holiday finds them flying off to France for ten days in the rural French countryside Only Kitty Finch seems to spend her vacation time searching for something whether it is a home for a pet a handbag or a holiday romance Not to mention the mystery man and his yellow socks that bring trouble her way All whilst avoiding the unwanted advances of a certain somebody who does not know when to take no for an answer but should know better As the Finch family comes across plenty of people to share their time with including German neighbours English expats and even a French farmer to name a few One of the men Kitty meets is special enough to take her fancy for a French fling so start reading this funny French farce to see if she succeeds despite the exes who are hijacking her holiday fun Whether it comes to randy rabbits randy monkeys or randy men it is all part of the experience The Finch Family Holiday 5 Who wants to go on holiday when they are ill in bed Kitty Finch does not so she does her best to get out of the annual family holiday but no her parents are having none of it so she is going to Turkey whether she likes it or not Since they will probably kidnap her if she does not comply and come willingly while she never imagined part of that sentence actually coming true on this trip Anyway they are soon off to the airport where her nightmares begin and not for the only time on this holiday does Kitty wish that she had stayed in bed and had not bothered getting up Not that she wants to appear ungrateful about going on a five day all inclusive package holiday in the sun during the school half term in October it is just that she will be face to face with her ex husband who she hasn t seen since the wedding fiasco and the less said about that the better Despite not feeling up to a holiday with the family it is not all doom and gloom for poor old Kitty because she does get to experience things in Turkey that she never would have had she
