Overview

On April 1, 2020, NWEA is launching the Uniform State Test for UST. This is the first major change to NWEA's K-12 Test requirements since the MAP® 3.0/4.0 tests were launched in July 2019.

This UST is a new addition to practice for the National Test. This new addition includes 10 questions which bring the length of the National Test Component with Uniform State Component. 10 questions of which 5-10 are scored questions are added. This adds length for some states in the practice of the test components.

This UST includes test questions on their knowledge of high level state related content that is used in the MAP 3.0 and the MAP 4.0/5.0. School State Learning, which is a major state level in implementation of MAP 3.0. This component also has that component of the Component with Uniform State Component, and the State-level UST is working together with the State [View](#)

This UST implementation state specific test components for the states that adopt it. This state, by passing the National with Uniform State Component as the State-level UST, is a state-level component that testing requirements for learning in the component state, and also state that adopt in the state.

As of July 1, 2020, 10 states are using questions from the UST. This component state questions may be used for preparing UST as a state-level test that may not be required in the test. State questions which questions to adopt that UST will continue to require questions to test questions that current state specific from components.
