Stay Dead April Henry, 2024-05-28 New York Times bestselling author April Henry delivers a thrilling murder mystery featuring a teen with an assassin on her trail fighting to uncover the truth behind a

government cover up perfect for fans of Karen McManus A page turning cat and mouse survival story Kirkus Reviews Sometimes the only way to live is to make sure the world thinks you re dead In the aftermath of a car accident that claimed the life of her senator father sixteen year old Milan finds herself adrift expelled from her third boarding school Milan s mother who has assumed the senate seat diverts her private plane to pick up her daughter But on their way home a bomb rips off a wing and the plane crashes in the mountains In her final moments Milan s mother entrusts her with a key She reveals it will unlock the evidence that so many people have already died for including Milan s father The only way Milan can survive her mom tells her is to let everyone believe she died with the other passengers Milan is forced to navigate a perilous descent in freezing conditions while outwitting everything from a drone to wild animals With relentless assassins on her trail she must untangle the web of deceit and save herself and countless others Will she piece together the truth in time Milan is in a race against time and terror to get to her parents one trusted friend before she ends up dead too readers will be intrigued and thrilled to see how it all turns out Booklist The cat and mouse between Milan and Lenny adds a thick layer of tension especially as Lenny closes in on her target things come together nicely as the climax looms Perfect for fans of Mindy McGinnis School Library Journal Forestry Camp: Guide and Practical Affendy Hassan, Andy Russel Mojiol, Walter J. Lintangah, Wilter Azwal, 2022-05-12 Universiti Malaysia Sabah UMS through the Faculty of Tropical Forestry formerly known as School of International Tropical Forestry have conducted forestry camp in the Forestry education curriculum since it was introduced in 2000 Every year we bring the students sometimes two troops in a year to train them as a forester At the same time the lecturers and staff prepare the teaching materials and equipment needed for the camp and of course we teach them relatively similar content every year by the respective lecturer or expert with staff assistance Indeed writing this book is not an easy job when we have so many ideas but quite challenging to transform in a book due to time constraints and other commitments by the lecturers for many years However we got the motivation that we want the best for our students and we have experience in coordinating forest camps for many years Therefore we wrote this book to provide a guide and practical to the students about forestry camp for learning forest mentoring both theoretical and practical as a compliment in achieving forester values in the related forestry discipline hard skills as well as soft skills More than that this book is also intended to reach a broad audience on basic knowledge about how to survive in the forest introduction on some wild edible plant and non forest resources birds wildlife forest recreation as well as camping hazard management for those people who are intended for organizing camping in the forest We hope that this publication provides invaluable insights that may help not only forestry students but also the people who love and enjoy the forest Winter in the Wilderness Dave Hall, 2015-11-18 Camping or backpacking in winter is appealing for many who enjoy the serenity of wilderness settings without the crowds and bustle of the summer season But as rewarding as they can be these outings require special preparation and a different set of skills than are necessary at other times of the year Snowfall can quickly cover one s tracks and make orientation

difficult Hypothermia is insidious and rapidly changing weather conditions can become treacherous even life threatening In addition to those who are exploring the outdoors recreationally there are also those who find themselves in unexpected winter survival situations Each year people become stranded in wilderness areas and in most cases they are not equipped to face the challenge of spending an indefinite amount of time outside Without sufficient gear or knowledge of how to improvise without it injury or death is often the result The development of some basic skills however can help avert such unfortunate outcomes As the founder of the renowned nature awareness program Primitive Pursuits Dave Hall has been practicing survival skills for more than twenty years and has amassed a comprehensive understanding of winter survival By refining these skills Dave has reached a point of understanding that is without peer Through detailed explanations illustrations and personal anecdotes Winter in the Wilderness imparts Dave s knowledge to readers who will learn to meet their most basic needs making fire creating shelter obtaining safe drinking water navigating terrain and procuring sustenance Winter in the Wilderness is a handbook for those who want to explore cold weather camping and those who might find themselves in need of this critical information during an unexpected winter s night out Whether used for pleasure or for survival Winter in the Wilderness emphasizes the benefits of enriching and deepening our connection with the outdoors
