Wilson And China Wilson And China:

Wilson and China Bruce A. Elleman, 2002 Using sources in Japanese Chinese and American archives this text reassesses Woodrow Wilson's agenda at the Paris Peace Conference It argues Wilson did not betray China but negotiated a compromise with the Japanese to ensure that China's sovereignty would be respected in Shandong Province *Diplomacy and Deception* Bruce A. Elleman, 1997 Utilizes archival documents to argue against the perception that America turned its back on China during the Paris Peace Conference a belief that convinced many Chinese to turn to Soviet Russia instead The author contends that President Wilson did everything in his power to help China Chapters focus on topics such as the origins of the United Front Policy assertion of Soviet control over the Chinese Eastern Railway the restoration of Russian territorial concessions and Soviet Foreign policy and the Chinese Communist Party Annotation copyrighted by Book News Inc Portland OR *The Directory & Chronicle of China, Japan, Straits Settlements, Malaya, Borneo, Siam, the Philippines, Korea, Indo-China, Netherlands Indies, Etc*, 1906 **America's Response to China** Warren I. The African American Encounter with Japan and China Marc Gallicchio, 2003-06-19 In the first book to focus on African American attitudes toward Japan and China Marc Gallicchio examines the rise and fall of black internationalism in the first half of the twentieth century This daring new approach to world politics failed in its effort to seek solidarity with the two Asian countries but it succeeded in rallying black Americans in the struggle for civil rights Black internationalism emphasized the role of race or color in world politics and linked the domestic struggle of African Americans with the freedom struggle of emerging nations of color such as India and much of Africa In the early twentieth century black internationalists including W E B Du Bois and Marcus Garvey embraced Japan as a potential champion of the darker races despite Japan s imperialism in China After Pearl Harbor black internationalists reversed their position and identified Nationalist China as an ally in the war against racism In the end black internationalism was unsuccessful as an interpretation of international affairs The failed quest for alliances with Japan and China Gallicchio argues foreshadowed the difficulty black Americans would encounter in seeking redress for American racism in the international arena
