A Day Apart Christopher D Ringwald, 2008-11-14 The Sabbath is the original feast day a day of joy and freedom from work a holy day that allows us to reconnect with God our fellows and nature Now in a compelling blend of journalism scholarship and personal memoir Christopher D Ringwald examines the Sabbath from Creation to the present weaving together the stories of three families three religions and three thousand years of history A Day Apart is the first book to examine the Sabbath in Judaism Christianity and Islam A marvelously readable book it describes the three weekly holy days the Muslim Juma on Friday the Jewish Shabbat on Saturday and the Christian Lord s Day on Sunday and introduces us to three families including Ringwald s own and shows how they observe the holy day and what it means to them The heart of the book recounts the history of the Sabbath ranging from the Creation story and Moses on Mount Sinai to the teachings of Jesus and Muhammad the impact of the Protestant Reformation and the Industrial Revolution and the rise of the modern weekend Ringwald shows that the Sabbath instinct to observe a special day of withdrawal and repose is universal Indeed all religions and philosophies teach that life is more than toil that time should be set aside for contemplation enjoyment and culture In today s frantic 24 7 world the Sabbath a day devoted to rest and contemplation has never been more necessary A Day Apart offers a portrait of a truly timeless way to escape the everyday world and add meaning to our lives I can not recall reading anything on the three faiths that so deftly engages them in robust conversation Amazingly learned Ringwald nonetheless has a light friendly touch The warmth of his soul is unmistakable Christian Century **New Saint Joseph Weekday Missal** Catholic Church, 1975 **Unbound By Time** William Holladay, 2002-06-25 In this timely and highly readable volume Old Testament scholar William Holladay introduces the reader to the several ways in which Isaiah speaks from ancient Jewish readings of the text to Handel s lyrical use of it in his oratorio Messiah to the Christian community who has heard it foretelling the life and death of Jesus Christ Holladay argues persuasively that the text of Isaiah though rooted in historical time place circumstance is unbound by time Using those portions of the prophet s writings which are most often included in the various modern lectionaries of the churches Holladay both provides detailed historical commentary and presents a method for allowing the text to still speak to believers in the twenty first century *The Best of "The Spirit of Medjugorje"* June Klins, 2005-06-30 In 1981 a beautiful lady appeared to 6 young people in the village of Medjugorje in what

is now Bosnia Herzegovina She told them that She was the Blessed Virgin Mary the Queen of Peace and that She came with a message of peace peace with God and man I have come to tell the world that God exists He is the fullness of life and to enjoy the fullness and obtain peace you must return to God Our Lady has continued to appear since 1981 to give messages to the world of peace love and joy She is confiding ten secrets to each visionary some are chastisements for the world and promises to leave a visible sign at the place of the apparitions in Medjugorje for all humanity Today all but three of the visionaries have daily apparitions This time this period of grace is for conversion and deepening faith After the visible sign those living will have little time for conversion Many books have been written about Medjugorje but this one is different It includes not only information about Medjugorje and talks and interviews with the visionaries but also heartfelt testimonies of those who have been healed and changed through Medjugorje as well as advice written from the heart on how to live the messages This book is for EVERYONE all Our Lady s children Catholic and non Catholic If you have not heard about Medjugorje it will tell you everything you need to know If you have been following the messages of Medjugorje or have been one of the millions of people blessed to have been there this book will light your fire all over again Tao and Trinity: Notes on Self-Reference and the Unity of Opposites in Philosophy S. Austin,2014-11-21 The Chinese Tao and the Western Trinity have a fundamental unity of theme the unity of opposites Both are connected with problems as broad and diverse as how to describe the entire universe how a system can talk about itself the relationship between symbols and realities and the nature of signs and sacraments Women of the Covenant Sally Moran,2003 Floyd Lance and I Bike Cross Country is a live vicariously through me adventure book about a teacher s bicycle journey across the United States in the summer of 2000 It includes information on how to get started historical information of the areas ridden through advice on fitness cycling tips and funny stories and of course plenty of information about Lance Armstrong and how he helped the author get through the summer The reader needs to take a different perspective when reading this book you have to put yourself in the author s shoes and live vicariously through him so you can see the country from the seat of a bicycle experience the sore muscles and the fatigue the heat cold the rain and the exhilaration of going 50 mph be there with him as he rides his bike seven hours into a 25 mph headwind all while consuming 6 000 calories a day ride up a mountain pass and change a flat tire last but not least you need to feel lonely so you can experience what he did to the fullest If you can do all this then you ll travel coast to coast on the seat of a bicycle **New Saint Joseph Weekday Missal** Catholic Church,1975 *The Psalms through Three Thousand Years* William L.
