The Well Crafted Sentence A Writers Guide To Style:

The Well-Crafted Sentence Nora Bacon, 2018-10-25 What makes a sentence strong Nora Bacon's *The Well-Crafted Sentence A Writer's Guide to Style* demystifies grammatical concepts and stylistic choices by taking apart expert writers' sentences as illustrations and asking students to practice crafting and revising their own. Examples throughout the text are excerpted from 11 readings collected in an anthology at the end of the book so you can teach style in the context of a larger argument or narrative. With four new model texts, expanded explanations of grammatical concepts and new coverage of figures of speech, the third edition invites students to experiment with sentence structures that make writing stronger.

The Well-Crafted Sentence Nora Bacon, 2008-12-24 Grounded in the art of writing, *The Well-Crafted Sentence* zeroes in on the sentence, offering a range of revision strategies that lead students to write fuller, more well-developed prose. In a friendly, conversational style, Nora Bacon makes clear how and why sentences work to focus, balance, develop, and qualify writers' ideas. Because students are more likely to try out new sentence structures if they've seen them in writing, they admire examples throughout the text, which are drawn from readings by accomplished stylists whose full pieces are also included in a chapter at the end of the book. Integrated exercises and editing practice help students apply concepts to their own writing. Affordable and brief, *The Well-Crafted Sentence* works as a core classroom text or as a supplement. **WELL-CRAFTED**
