The Waters of Nyra Kelly Michelle Baker, 2014-01-07 Never an ordinary dragon Nyra grew up forbidden to breathe fire or fly Like her mother before her she has only known a life of enslavement held in thrall by mountain dragons which need Nyra's ripening wings to secure hunting for the future But at the cusp of her first flying lesson new rumors whisper through her herd Her mother pursues friendships in forbidden places blurring the once succinct enemy line In a whirlwind of realization Nyra uncovers a secret in plain sight one thought unknown to her enslavers and one putting her at the focal point of rebellion should it come into play And come it does but through a terrible accident killing the slaves last chance of escape To survive Nyra must conquer the sharp ended lies cutting her future to ribbons and the war threading in their wake
