Frank Baum,2019-02-17 The Wonderful Wizard of Oz is the classic American children s novel about the adventures of Dorothy a young girl who along with her dog Toto is swept away by a cyclone to the magical Land of Oz It was written by L Frank Baum and published in May 1900 Dorothy lives with her Aunt Em Uncle Henry and Toto on a farm in the Kansas prairie One day Dorothy and Toto are caught up in a cyclone that deposits her farmhouse into Munchkin Country in the magical Land of Oz The falling house has killed the Wicked Witch of the East the evil ruler of the Munchkins The Good Witch of the North arrives with three grateful Munchkins and gives Dorothy the magical Silver Shoes that once belonged to the Wicked Witch The Good Witch tells Dorothy that the only way she can return home is to go to the Emerald City and ask the great and powerful Wizard of Oz to help her The Library of Congress has declared it America s greatest and best loved homegrown fairy tale Its groundbreaking success and the success of the Broadway musical adaptation led Baum to write thirteen additional Oz books which serve as sequels to the first story The 1939 film musical adaptation starring Judy Garland is considered by many to be one of the greatest films in cinema history **The Wonderful Wizard of Oz** L. Frank Baum,1992-11-03 Baum s story of Dorothy carried by a cyclone from a Kansas farm to the land of the Tin Woodman Scarecrow and Cowardly Lion was published in May 1900 By the following January 100 000 copies had been sold and the book has ever since been an undisputed favorite The original illustrations by Denslow which are reflected in the film and stage versions have often been imitated but never surpassed *The Wizard of Oz and Who He Was* Martin Gardner,Russel B. Nye,1994-12-31 When Russel B Nye and Martin Gardner teamed up to bring out a new edition of The Wonderful Wizard of Oz theirs was the first critical analysis of L Frank Baum American classic The book opens with an essay by Nye entitled An Appreciation which is an overview of Baum s creative and imaginative genius Nye explores the reasons why earlier critics virtually ignored the Oz stories Gardner in his essay The Royal Historian of Oz presents a brief biographical sketch revealing little known facts about this prolific writer The volume also contains the complete original text of the Wonderful Wizard of Oz along with many original illustrations by artist W W Denslow **A Printing History of Everyman's Library 1906-1982** Terry Seymour,2011 The total number of Everyman s Library volumes that still survive somewhere in the world exceeds 70 million Since the inception of the Library in 1906 nearly 1200 unique volumes have been published constantly placing the world s greatest books before a large public A few of these titles proved unpopular and were never reprinted But most were reprinted dozens of times packaged in numerous ways and benefited from updated editorial

work and book design over the last century Terry Seymour has studied and researched every aspect of this great mass of books He now captures and distills this knowledge in *A Printing History of Everyman's Library* 1906 1982 A critical feature of course is to update the various collecting factoids that have emerged since 2005 when his *Guide to Collecting Everyman's Library* was published The meat of the new book however is the Bibliographical Entries section Each volume that has ever been printed receives its own entry detailing every printing each dust jacket variation any new introductions updated scarcity numbers and all relevant notes Typically an entry contains at least six lines of information but often much more In essence each entry is a story written exclusively about each volume Armed with this resource collectors and booksellers can know reliably everything about the Everyman's Library volume that sits on their shelf or is ready to be purchased or sold They will see how a book fits into the total printing history of that title and be able to describe and value the book with precision To further enhance the value of this book color images illustrate all of the key collecting points An extensive index of editors translators and artists is now included Not just a solo effort the *Printing History* has been vetted by other expert collectors ensuring greater accuracy and comprehensiveness *Modern Children's Literature* Catherine Butler, Kimberly
