Freemasonry gains its structure and foundation through an inherent love of an adherence to the Holy Bible and would not exist without that devotion The foundation of Masonry is predicated on the fact that the craft and the Bible are intricately interconnected just as other holy books around the world are central to their Freemason organizations Much of Masonry's symbolism is taken from biblical sources especially Genesis and the stories surrounding the building of King Solomon's temples Great emphasis is placed on the development of moral and ethical virtues and the building of character with truth being the guiding principle of our lives Thus brotherhood and charity are natural outcomes and further define one of Masonry's major tenets Masonry uses proven methods to enhance the lives and spirits of members in a tangible way In every Masonic lodge upon its altar there is a Holy Bible supporting the square and compasses This old familiar book so beloved by so many generations is our Volume of the Sacred Law and represents the Great Light in Freemasonry The Bible is open when the lodge opens the Bible is closed when the lodge closes No lodge can transact its own business much less initiate candidates into the mysteries of the craft unless the Book of Holy Law lies open upon its altar It is the true responsibility of each individual Mason to seek out and understand the true nature of reality through the teachings of Freemasonry discovered in the symbols of the craft The individual must learn to recognize and interpret the footprints of the deity and the sublime methods that he uses to reveal his message So mote it be May the mystery begin Rhoades To Reading Fourth Edition, Level I Teaching Guide Jacqueline Rhoades,2004 Reading program for 5th grade adult students Instruction level K 2 5 Includes 340 sight words vowel and consonant sounds sound blending consonant vowel consonant words beginning and ending blends silent e rule three letter clusters cursive handwriting 115 activity sheets and 6 stories **Phonics from A to Z** Wiley Blevins,1998 Provides an explanation of phonics a method of reading instruction that focuses on the relationship between sounds and their spellings and features over one hundred activities for the classroom as well as sample lessons word lists and teaching strategies *The revised ritual of craft freemasonry, by an old past master* Freemasons,1888 **Ars Quatuor Coronatorum** ,1917
