Unlikely Setting Aside Our Differences To Live Out The Gospel:

Unlikely Kevin Palau, 2016-05-17 In 2007 Kevin Palau and a few dozen pastors approached Portland's mayor and posed the question How can we serve you with no strings attached Officials identified five initial areas of need hunger homelessness healthcare the environment and public schools and so began a partnership CityServe between the city and a band of churches seeking to live out the gospel message Since then the CityServe model has spread like wildfire inspiring communities across the country to take up the cause in their own cities Provided by publisher **The Let My People Go Handbook** Raleigh Sadler, Hannah Grundmann, 2022-01-18 The Let My People Go handbook is a practical guide to equip churches to love their most vulnerable neighbors The name Let My People Go recalls the words of Moses as he spoke to those who had enslaved his people Moses called for holistic freedom freedom from physical and spiritual bondage It's the authors prayer that this guide would help you and your church take up this mantle of liberty in your community Human trafficking is the exploitation of vulnerability for commercial gain Lmpg wants to empower your church to fight human trafficking by loving those most vulnerable around In this curriculum you will be given the tools to address the vulnerabilities in your church and outside of your church in a way that is congregational collaborative with the gospel As its motive

Closer Than Close Dave Hickman, 2016-08-01 How many times have you heard someone say I want to be close to God or I feel far from Jesus For many of us we have been led to believe that our relationship with Jesus is based on proximity a sliding scale of near or far based on the faithfulness of our spiritual devotion But what if being close to you isn't good enough for Jesus What if he wants to be closer than close Instead of simply having a personal relationship with you what if Jesus longs to be perfectly one with you instead In this achingly bold and beautiful book pastor scholar friend and now author Dave Hickman invites you into his personal journey from striving to abiding anxiety to peace weariness to rest from having a relationship with Jesus to awakening to the freedom of his union with Christ Through careful attention to Scripture personal stories and everyday examples join Dave as he guides you into the depths of the mystery of your personal and corporate union with Christ In doing so you too can awaken to the wonder and freedom that is already yours in Christ [Better Than Brunch](#) Jason Byassee, Ross A. Lockhart, 2020-12-23 What could be better than brunch on a Sunday morning For most people in Portland Seattle and Vancouver the answer of gathering to worship the Triune God and be sent as witnesses would not be top of mind And yet across the Pacific Northwest the authors discovered deeply rooted missional communities worshipping God and serving their neighborhoods offering evidence of unexpected Cascadian treasure in clay jars Join the authors on a treasure hunt throughout the region as they identify new patterns of post Christendom Christianity that will inspire and challenge your understanding of church [Called 2 Love Like Jesus](#) The Great Commandment Network, 2020-11-03 Jesus call is for love to be the identifying mark A simple command but perhaps one of the toughest to follow This Christ like love is to be the essence of who we are and what we demonstrate to others Called 2 Love Like Jesus is an anthology of devotions

designed to help you live out this kind of love Each devotion includes an inspiring meditation from notable spiritual leaders like Mark Batterson Gary Chapman Dallas Willard Joni Eareckson Tada Tony Evans Francis Chan Les Parrot Gary Smalley and Sammy Rodriguez Scriptures and interactive questions encourage personal reflection and life application Embrace God's command to love and begin a lifestyle of living and loving like Jesus **Everyone's a Genius** Alan Briggs, 2017-09-19

Believe it or not everyone's a genius at something We just need to uncover and release it for the sake of the world Every member of your church comes with a unique set of God-given skills and talents As a church leader you have the weighty task of uncovering and validating them Your challenge is to help your members identify and unleash their gifts to bring glory to God But in our selfie-focused society this task can feel overwhelming God doesn't see two groups his gifted children and the rest of us He didn't give the Great Commission only to the extremely talented musicians writers artists pastors and church staff He gave it to all of us To each of us So how do we help our members find their sweet spots of service in the kingdom In **Everyone's a Genius** author pastor and leadership consultant Alan Briggs shares his belief that bringing out the abilities of often overlooked Christians those whose unique skill sets are not as easily identifiable remains a key component that will determine the church's impact in this and coming generations This is an inspiring look at how we can more effectively motivate Christians to leverage their personal abilities for Christ The truth is reading this book is risky It can change how you see every person you're leading It can make you see your community differently It can help you find gifts within your church family that will surprise you It can also unlock something within you that you never knew mattered to God It can expand your vision of the world deepen your appreciation for the least of these and refocus the mission of your church Perhaps God will use this book to take you on a journey toward a more appropriate theology of creativity Yes it's a risk but a risk we simply must take to impact the world for Jesus Are you in **Confident Witness** David S. Creative Collaborations Allison Kach-Yawnghwe, Dana Lee Robert, 2024-03-05 The case studies in this book show that rather than collapsing under the strain of massive challenges many North American Christians are reaching across divisions and differences to connect with people and contexts unlike themselves The research in this book highlights multiple ways in which North American Christians are collaborating with others to witness to their faith Such collaborations are like the mustard seeds of the Kingdom Mt 13 31-32 often small and yet creative actions of believers who push beyond Christian divisions and paralyzing social problems The series of books arises from a study process that marked the centenary of the International Missionary Council IMC founded in 1921 at Lake Mohonk USA It has its origin in the Commission on World Mission and Evangelism of the World Council of Churches which wanted to celebrate the work of its historical predecessor IMC 1921-1961

Sin in the City Thekla Ellen Joiner, 2013-05-20 Long before today's culture wars the Third Great Awakening rocked America During the late nineteenth and early twentieth centuries evangelists such as Dwight L. Moody and Billy Sunday roused citizens to renounce sin as it manifested in popular culture moral ambiguity and the changing role of women *Sin in the City* examines three urban revivals in turn of the century Chicago to show how revivalists negotiated that era's perceived racial sexual and class threats While most studies of this movement have focused on its male leaders and their interactions with society Thekla Ellen Joiner raises new questions about gender and race by exploring Third Awakening revivalism as the ritualized performance of an evangelical social system defined by middle class Protestant moral aspirations for urban America Rather than approaching these events merely as the achievements of persuasive men she views them as choreographed collective rituals reinforcing a moral order defined by ideals of femininity masculinity and racial purity Joiner reveals how revivalist rhetoric and ritual shifted from sentimentalist identification of sin with males to a more hard-nosed focus on females castigating loose women whose economic and sexual independence defied revivalist ideals and its civic culture She focuses on Dwight L. Moody's 1893 World's Fair revival the 1910 Chapman Alexander campaign and the 1918 Billy Sunday revival comparing the locations organization messages and leaders of these three events to depict the shift from masculinized to feminized sin She identifies the central role women played in the Third Awakening as the revivalists

promoted feminine virtue as the corrective to America's urban decline. She also shows that even as its definition of sin became more feminized, Billy Sunday's revivalism began to conform to Chicago's emerging color line. Enraged by rapid social change in cities like Chicago, these preachers spurred Protestant evangelicals to formulate a gendered and racialized moral regime for urban America. Yet as Joiner shows, even as revivalists demonized new forms of entertainment, they used many of the modern cultural practices popularized in theaters and nickelodeons to boost the success of their mass conversions. *Sin in the City* shows that the legacy of the Third Awakening lives on today in the religious right's sociopolitical activism, crusade for family values, disparagement of feminism, and promotion of spirituality in middle-class racial and cultural terms. Providing cultural and gender analysis too often lacking in the study of American religious history, it offers a new model for understanding the development of a gendered theology and set of religious practices that influenced Protestantism in a period of enormous social change.
