## **Unveiling Revelation:**

Unveiling Revelation James L. Davis, 2009      **Unveiling Revelation** John Allen, 2000-12 According to its opening verses Revelation is intended for all people in all ages in all places so this interpretation won't need revising as headlines change and years roll by. Because the author's premise is that scripture interprets scripture the presentation is biblical in execution timeless in application. Drawing exclusively from the Old Testament John Allen expounds the symbolism of Revelation demonstrating that this is how the earliest readers of this document understood it. Working from these clear guidelines the author avoids the hype and political overtones that have caused many recent interpretations to date so rapidly. Establishing that it is an understanding of scripture rather than an excess of emotion that enables us to come to grips with what God is saying to His Church he shows that this last great book of the Bible exalts Jesus and declares His people triumphant in this world. This publication is a must for all those weary of books about Revelation that are redundant by the time they go to press.

Kelley, 2016-04-06 The Book of Revelation has been one of the most neglected books of the Bible for most of church history. The supernatural is all around us though so restrained by the Holy Spirit's work in the Church that people often forget its existence. Revelation speaks largely of a future time without the Church and as such minds have trouble grasping the sheer supernatural things of which it speaks. Often mislabeled as revelations it actually concerns itself with one single revelation the unveiling of the Lord Jesus Christ Who is coming again for His Bride the Church and will return with her to overthrow a world empire brought together by the ultimate demonic human known as the Beast. Christ will then seize control of this rapidly deteriorating world and make all things right physically ruling in absolute fairness righteousness. It is the Christian's

hope showing Jesus's love for him or her as well as the unbeliever's terror. As such, the study of it gives young Christians a biblical view as to who they are as ambassadors and pilgrims passing through, enabling them in their witness to lost people because time is quickly running out. Young Christians are encouraged to study this commentary and use the outline at the beginning to tell others the Gospel of salvation in the Lord Jesus Christ without which all humanity is doomed to hell because of their sin against a Holy and Righteous God.

**Unveiling God's Church** Paris Reidhead, 2014-10-06 In *Unveiling God's Church*, a compilation of nine of Brother Reidhead's sermons on the first three chapters of the Book of Revelation, we gain deep insights on how we should think about the Church, the Body and Bride of Christ. We learn the only reason for the Church existing is to glorify the Lord through the lives of its members and to bring Him honor, fame, praise, and love. We learn job number one of the preacher is to deliver to the Lord a Bride pleasing to Him. And thus in God's Church, our hope is that in every day, every circumstance, in every situation, God and His sovereign love is going to use my life to bring glory to His Son. But this only happens when each member is perfected when each is filled with the fullness of Christ. This is how the Church is to glorify Him by revealing Christ in every believer. We become priests unto God. This royal priesthood is His perfected Church. This singular purpose is the reason He gave us pastors, teachers, and prophets to bring the Body to perfection.

**Face to Face: The Unveiling of Jesus Christ** Micah Paul Gaylor, 2024-03-31 The book of Revelation is more than a prophecy of future events. It is an invitation, a blessing, and a catalyst meant to equip creation for a Face to Face encounter with the King of Kings that will utterly transform the very fabric of reality. Book 1 of the *Unveiling of Jesus Christ* series is all about preparation. Not that end-of-the-world-as-we-know-it doomsday kind of preparation. I mean the kind you make when you are about to go on an epic quest. Our quest is to understand and experience the true power of the book of Revelation, not as an oracle for survival but as illumination for transformation. Without this mindset, many previous eschatological expeditions have produced overconfident predictions while leaving their travelers empty-handed, unchanged, and jaded. A better path is available. In this prelude to our journey through Revelation, we'll build a map for navigating end-times prophecy as God intended. With a fresh, sometimes out-of-the-box perspective, we'll unpack familiar Bible verses in unexpected ways that reveal God's beautifully consistent tapestry of truth. From Genesis to Revelation, we'll learn how God's plan connects the Old and New Testaments with a precision that will strengthen and deepen your faith. Join me as we leverage the depth and breadth of Scripture to uncover a divine endgame that defies imagination. The goal is to adjust our focus, enlarge our perspective, and awaken an insatiable hunger for the Unveiling of Jesus Christ. Come prepared to be equipped for active participation in the consummating stages of God's eternal plan for His universe.

**Revelation, Intellectual Intuition and Reason in the Philosophy of Mulla Sadra** Zailan Moris, 2013-11-05 This book examines and analyses the legitimacy of the widely held claim that Mulla Sadra's philosophy, *al-hikmah al-muta'aliyyah*, is a synthesis of principles and doctrines drawn from revelation, *wahy*, gnosis, *irfan*, *ma'rifah*, and discursive philosophy, *al-hikmah al-bahthiyyah*. In Mulla Sadra's view, these three

major sources of knowledge can be brought together without contradiction and accorded their respective roles in the human quest for true and certain knowledge This book discusses and demonstrates how Mulla Sadra achieves this synthesis as contained in and exemplified by his text *al Hikmah al arshiyah* or *Wisdom from the Divine Throne* An evaluation on whether or not Mulla Sadra's synthesis is successful is also undertaken The criteria used for the evaluation are the internal coherence of his ideas their conformity to Islamic teachings and impact on Islamic thinkers after him

[Songs of Resistance](#) R. Alan Streett, 2022-11-11 Songs of Resistance Challenging Caesar and Empire examines New Testament hymns in light of their historical and cultural contexts Such a reading yields new insights Rather than finding theological truths alone one also discovers lyrics that contest and defy Rome's great tradition The early Christ followers sang songs that opposed the empire's worldview and offered an alternative vision for society These songs were a first century equivalent of modern day protest songs But instead of marching and singing in the streets believers gathered in private spaces where they lifted their voices to Jesus and retold the story of his execution as an enemy of the state and how God raised him from the dead to rule over the universe As they sang believers were emboldened to remain faithful to Christ and withstand the temptation to comply with the sociopolitical agenda of the empire

**Saving Paradise** Rebecca Ann Parker,Rita Nakashima Brock,2008-07-01 A fascinating theological study of how early Christianity's message of love and community has evolved into one of punishment and empire During their first millennium Christians filled their sanctuaries with images of Christ as a living presence as a shepherd teacher healer or an enthroned god He is serene and surrounded by lush scenes depictions of this world as paradise Yet once he appeared as crucified dying was virtually all Jesus seemed able to do and paradise disappeared from the earth Saving Paradise turns a fascinating new lens on Christianity from its first centuries to the present day asking how its early vision of beauty evolved into a vision of torture and what changes in society and theology marked that evolution It also retrieves for today a life affirming Christianity that the world sorely needs
