Dave Duncan On a dodecahedral world in thrall to the tyrannical war obsessed Hrag dynasty no one could stop the Bloodlord from sending troops over the Edge to Florengia invading its major cities and offering them a choice between strict colonial rule and immediate and total destruction When the doge of Celebre was faced with this ultimatum he gave his children up as hostages so that the rest of Celebre might live Thus the four young Florengians were taken from their homes and scattered across the Vigaelian face Fifteen years later and you d never guess that they re siblings Fabia was adopted by a wealthy landowner and spoiled rotten Orlando desperately yearns to overcome his Florengian blood and fight for the Vigaelian army Benard is a flighty but talented artist and Wisdom has it that Dantio the eldest died fighting his captors But when Celebre suddenly takes on crucial political significance one of the siblings must return home to serve as Celebre s puppet ruler and the others must be eliminated so that there are no rival claimants to the throne It s going to be tough enough finding one another let alone deciding whether enough kinship remains after fifteen years apart that the siblings will care to help each other out of their respective predicaments If they re feeling particularly altruistic the Celebres might even take on the bonus round trying to save Dodec from the culture of death and war imposed on it by its evil warlords One thing s for certain the Celebre children are going to have a lot of adjusting to do At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

The Living God Dave Duncan,2014-04-01 The final volume in the Aurora Award winning author s epic fantasy series Duncan s plots add up and his characters have personalities Kirkus Reviews War had engulfed the whole world The imposter imperor ruling in Hub was the tool of the paranoid and almighty sorcerer Xinixo who wielded the combined power of thousands of sorcerer slaves And yet despite his seeming omnipotence the pathetic few who resisted him were still at liberty even making a little progress Xinixo s prime foe Rap of Krasnegar had rallied troll sorcerers to the cause and was about to try enlisting the incomprehensible elves Fortunately for his sanity he did not know that his daughter Kadie had been carried off by goblin invaders or that his son Gath was heading for stark Nordland to deal with the fearsome jotnar or that his wife Inos was in Guwash negotiating with gnomes Shandie the rightful imperor was with her unaware that his wife Impress Eshiala believed him dead and had fled with Signifer Ylo that notorious rake And none of them knew about the sorcerers of Thume especially the rebel pixie girl Tha le who chafed against the secret binding of a thousand years But the odds were still impossible and Longday was fast approaching The sorcerers of the world foretold blood on Longday

not already spellbound by Xinix Their quest soon ran into disaster Their messengers were betrayed or ensnared A rampaging goblin army had captured Shandie and was about to torture him to death Rap was mired in a tropical jungle hoping his wife and children were safe back home in Krasnegar They were not in Krasnegar and certainly not safe As the flames of war raged across Pandemia news of the disasters penetrated even into Thume the Accursed Land Outsiders believed that the pixies had been extinct for a thousand years but they still lived there hoarding their magic Their ruler the Keeper adamantly refused to meddle in events outside her borders but one young pixie girl was prepared to rebel against the ancient order
