What's Wrong With My Snake? (advanced Vivarium Systems) John Rossi,2016-11-22 In this newly updated edition veterinary and herpetocultural experts provide answers to the frequently asked question what s wrong with my snake This fact filled book addresses the wide range of physical and behavioural problems that can occur during a snake s life such as parasite infestation respiratory infection loss of appetite and aggression Both beginning and advanced snake owners will benefit from the comprehensive coverage and appealing format which includes easy to read medicinal charts and instructive colour photos Above all this up to date manual offers crucial advice on how to prevent problems or keep them from becoming more serious All snake keepers will be glad to have this vital information source in their libraries **Tell Me A Story** Dante Fabiello,2010-04-28 head Once upon a time there was a little girl called Alexandra who asked her daddy Daddy please tell me a stooweee Well this is my story on how I created thousands of children stories These stories come from a world where animals of all kinds all talk and learn like children about life Around the age of three my daughter got tired of me reading little kiddy stories and asked me Daddy please tell me a stooweee So every night I would make up a new short story One day when she was 7 years old I decided to tape these stories so she could hear them over and over Well that went on for 7 more years with over 110 hours and over 3 000 stories There are so many stories that I will have to write many more volumes So here we are the first book is published and now kids all over the world can enjoy them as my daughter did for many years The time you spend with your child is most rewarding Never get tired of loving kissing and hugging them no matter how old they get Please view the book website by [Clicking here](#) Please view sample stories from the book by [Clicking here](#) html

**Growing up in the Rockies** Janice N. Richards,2011-07-05 My heart drifts back to the Rocky Mountains as I sit and look out the window I see the snow that once brought such joy to my heart I remember the days when I would have been known as a snow bunny I think of my poor mother and how difficult it was for her to keep me indoors for I was a mountain girl I climbed the mountains I chased the animals I found all of Gods creatures beautiful I was my fathers child He roamed the wilderness and I learned from him I loved to live life and I was very very happy It makes me very sad when I think of children who have not experienced such happiness for I was one of the lucky ones That is why I wish to share my life with you I hope that in this day and age of single parents that maybe someone who reads this can get hope from the true meaning of family I had a family that surrounded me with love and I never understood the meaning of poverty even though we were very poor I always felt like our life was normal and that was how the whole world was It would not be till my adult years that I would find this not to be true and to experience the pain of a life that I had never known It is hard for me to know where to begin as I remember back on the life that I loved and miss so much However I wish to share the memories that made me who I am today *Snake Venom* Hu Mei,2020-05-03 My family is from Yunnan the ancestors caught snakes for a living the snake cold blooded and insidious His body was filled with treasures but it was also deadly But that was not the most terrifying thing In

order to protect me dad wouldn't let me enter the business but by some strange coincidence I didn't escape the shackles of fate Do you really think that only Gu Manpeng and the little ghost are the scariest Snakes gather around me in a sinister way Let me count the strange things that happened after I entered the world They Call Me Bubbins Bobby

O'Roark,2011-06-29 Have you ever danced on a dead mans chest or peeked into a crypt at a dead mans face Have you ever soared over a valley like an eagle only without wings or watched an Indian Chief in full warriors dress thunder towards you on a great white stallion How about proving without a doubt that Santa Claus is real or maybe you have played with a live pacific coast rattle snake with your bare hands Everyone has their own adventures and experiences to remember as they grow older and most probably look back upon those memories with fondness Bubbins was blessed with being born at a time and place in the world where his freedom of movement was virtually wide open and with parents and a society who allowed such freedom with very few restrictions When you peer into a mirror smooth pond you discover someone there looking back at you Is it you Is it who you were or is it who you are now Perhaps it might be who you will become Take this journey with me let us peer into the Reflections of Time and discover for ourselves the answers to those questions *And So, My Son...*

Janet Johnson-Smith,2021-11-23 No one should be afraid of the dark or afraid to go to the bathroom late at night Then the doctor said Pregnant and the stars completely disappeared from the sky and there was nothing but darkness all around me I was fifteen a child with a child And So My Son tells the story of how it happened and why **So Many Snakes, So Little Time** Rick Shine,2022-07-05 Snakes are creatures of mystery arousing fear in many people but fascination in a few Recent research has transformed our understanding of the behaviour and ecology of these animals revealed their important roles in diverse ecosystems and discovered new and effective ways to conserve their populations and to promote coexistence between snakes and people One of the leading contributors to that scientific revolution has been Prof Rick Shine Based in Australia whose snake fauna is diverse and often dangerous his experiences and anecdotes will inspire a new generation of serpent scientists Spellbinding stories highlight the challenges frustrations and joys of discovery and give the reader a greater appreciation of these often slandered slithering reptiles Key Features Documents the important role played by a preeminent herpetologist Focuses on research conducted in Australia especially on snakes Summarizes highly influential conservation studies Explores the ways in which research has deepened our understanding of snakes 200,000 Snakes: On the Hunt in Manitoba
