What Works In Offender Rehabilitation An Evidence Based Approach To Assessment And Treatment:

What Works in Offender Rehabilitation Leam A. Craig, Theresa A. Gannon, Louise Dixon, 2013-03-27 This comprehensive volume summarizes the contemporary evidence base for offender assessment and rehabilitation evaluating commonly used assessment frameworks and intervention strategies in a complete guide to best practice when working with a variety of offenders Presents an up to date review of what works in offer assessment and rehabilitation along with discussion of contemporary attitudes and translating theory into practice Includes assessment and treatment for different offender types across a range of settings Internationally renowned contributors include James McGuire James Bonta Clive Hollin Anthony Beech Tony Ward William Lindsay Karl Hanson Ray Novaco and William Marshall **The Rehabilitation of Sexual Offenders** Jackie Craissati, 2018-09-26 Sexual offenders arguably the most hated and feared of all offenders commit their crimes in our communities and are then hidden from public view as they serve long prison sentences However despite the public s understandable anxiety our criminal justice systems hold to the premise that almost all offenders have the right to hope for rehabilitation even redemption Therefore the majority of sexual offenders return to live in our communities closely monitored by criminal justice agencies and subject to rigorous controls This book provides an authoritative guide to working with sexual offenders with a focus on managing those who are reintegrating into the community It includes those with the most striking histories of trauma and psychological difficulty and those who have previously failed in their attempts at resettlement It covers helpful theoretical ideas such as attachment theory and models of desistance as well as the latest evidence base for good quality risk assessment The book supports practitioners on the front line of this work by providing them with evidence based guidance It presents a multitude of case examples and practice tips that can support effective decision making and achieve safe outcomes as well as help such offenders build worthwhile community lives **Assessment and Obligatory Treatment of Violent and Sexually Violent Offenders** Ruud H. J. Hornsveld, Floris W. Kraaimaat, Luk A. C. L. Gijs, Emma J. Palmer, 2019-11-13 This book examines the assessment and obligatory treatment programs for violent and sexually violent offenders primarily adolescents and adults diagnosed with cluster B personality disorder or a conduct disorder It describes concepts theories and legal aspects as well as the psychological and neurobiological characteristics of violent and sexually violent offenders and forensic psychiatric patients Chapters review treatment programs and provide guidelines for gathering additional information and formulating functional analyses to establish individual treatment plans In addition chapters offer treatment modules for violent offenders and sexually violent offenders and address specific problems that may be encountered in practice and how to overcome these problems The book concludes with the editors recommendations for future research in offender assessment and rehabilitation Topics featured in this book include Heuristic models of aggressive and sexually aggressive behavior The use of self reporting questionnaires in offender populations Reliable assessment instruments The effectiveness of existing rehabilitation programs Cognitive behavioral treatment

modules for violent and sexually violent offenders Self regulation and self management skills to be used in rehabilitation programs Facilitating treatment integrity in penitentiary and forensic psychiatric institutions Assessment and Obligatory Treatment of Violent and Sexually Violent Offenders is an essential resource for researchers clinicians therapists and upper level undergraduate and graduate students in forensic psychology public health criminology criminal justice and behavioral therapy and rehabilitation

Prisons and Community Corrections Philip Birch, Louise Sicard, 2020-08-09 This edited collection brings together leading international academics and researchers to provide a comprehensive body of literature that informs the future of prison and wider corrective services training education research policy and practice This volume addresses a range of 21st century issues faced by modern corrective services including prison overcrowding young and ageing offenders mental health sexual assault in corrective facilities trans communities in corrective services and radicalisation of offenders within corrective services Taking a multi disciplinary approach and drawing together theoretical and practice debates the book comprehensively considers current challenges and future trajectories for corrective systems the people within them and service delivery This volume will also be a welcomed resource for academics and researchers who have an interest in prisons corrective services practice and broader criminal justice issues It will also be of interest to those who want to join corrective services those who are currently training to become personnel in corrective services and related allied professions and those who are currently working in the field

The Wiley Handbook of What Works in Violence Risk Management J. Stephen Wormith, Leam A. Craig, Todd E. Hogue, 2020-02-10 A comprehensive guide to the theory research and practice of violence risk management The Wiley Handbook of What Works in Violence Risk Management Theory Research and Practice offers a comprehensive guide to the theory research and practice of violence risk management With contributions from a panel of noted international experts the book explores the most recent advances to the theoretical understanding assessment and management of violent behavior Designed to be an accessible resource the highly readable chapters address common issues associated with violent behavior such as alcohol misuse and the less common issues for example offenders with intellectual disabilities Written for both those new to the field and professionals with years of experience the book offers a wide ranging review of who commit acts of violence their prevalence in society and the most recent explanations for their behavior The contributors explore various assessment approaches and highlight specialized risk assessment instruments The Handbook provides the latest evidence on effective treatment and risk management and includes a number of well established and effective treatment interventions for violent offenders This important book Contains an authoritative and comprehensive guide to the topic Includes contributions from an international panel of experts Offers information on violence risk formulation Reveals the most recent techniques in violence risk assessment Explains what works in violence intervention Reviews specialty clinical assessments Written for clinicians and other professionals in the field of violence prevention and assessment The Wiley Handbook of What Works in Violence Risk Management is unique in its

approach because it offers a comprehensive review of the topic rather than like other books on the market that take a narrower view **Offender Rehabilitation Programmes** Laura M. Small, Paul M.W. Hackett, 2023-04-28 This book shows how prison officers may be able to significantly influence extra programmatic conditions to enhance rehabilitation outcomes and contribute to reducing reoffending It does so through a detailed review of the literature relating to prison based rehabilitation programmes examining factors influencing their outcomes and the effects of the prison officer role Firstly the book explores current understandings about the role of the prison and effective offender rehabilitation programmes It then describes the processes of the integrative review of how prison officers can support rehabilitation programmes in prisons Review findings suggest three main routes by which prison officers can contribute to enhancing rehabilitation outcomes influencing prison social environments enhancing prisoner treatment readiness and programme engagement and identifying and supporting prisoners wider needs This book also explores avenues for further research in this area using a declarative sentence mapping approach Bridging two previously distinct areas of research prison officers and their role and prison rehabilitation interventions this book offers new understanding in the real world context of prisons and their staff as to how we can enhance rehabilitation outcomes It will be of great interest to academics in penology forensic psychology probation and offender rehabilitation fields The book is also valuable to postgraduate students and professionals working on prison policy **The Wiley Handbook on What Works with Girls and Women in Conflict with the Law** Shelley L.

Brown, Loraine Gelsthorpe, 2022-03-14 The Wiley Handbook on What Works with Girls and Women in Conflict with the Law The most practical discussion of the rehabilitation of girls and women in conflict with the law in the correctional arena What Works with Girls and Women in Conflict with the Law is the leading examination of evidence based practice in the field of gender responsive corrections Adopting an international and intersectional approach the distinguished authors seek to collect the best available data and thinking on what works with girls and women and apply it to the real world problems facing correctional systems today As part of its contextual and rich approach to the subject What Works with girls and women in conflict with the law covers a broad variety of topics ranging from theories of female involvement in crime security classification and risk assessment evidence based treatment and supervision approaches special populations such as Indigenous women to legal policy developments in the field of gender responsive corrections Perfect for students and practitioners in the field of psychology criminology social work criminal justice and corrections this is the only reference of its kind to focus on the practical applications of the latest theory *The Wiley International Handbook of Correctional Psychology* Devon L. L. Polaschek, Andrew Day, Clive R. Hollin, 2019-02-08 A two volume handbook that explores the theories and practice of correctional psychology With contributions from an international panel of experts in the field The Wiley International Handbook of Correctional Psychology offers a comprehensive and up to date review of the most relevant topics concerning the practice of psychology in correctional systems The contributors explore the theoretical professional and

practical issues that are pertinent to correctional psychologists and other professionals in relevant fields The Handbook explores the foundations of correctional psychology and contains information on the history of the profession the roles of psychology in a correctional setting and examines the implementation and evaluation of various interventions It also covers a range of topics including psychological assessment in prisons specific treatments and modalities as well as community interventions This important handbook Offers the most comprehensive coverage on the topic of correctional psychology Contains contributions from leading experts from New Zealand Australia Europe and North America Includes information on interventions and assessments in both community and imprisonment settings Presents chapters that explore contemporary issues and recent developments in the field Written for correctional psychologists academics and students in correctional psychology and members of allied professional disciplines The Wiley International Handbook of Correctional Psychology provides in depth coverage of the most important elements of the field

Psychology of Gang Involvement Jane L Wood,Jaimee Mallion,Sarah Frisby-Osman,2022-11-09 Psychology of Gang Involvement expands existing knowledge by applying psychological knowledge to gangs including how gang members think their mental and emotional well being and their perceptions of gang involvement as well as issues relating to gang prevention and intervention strategies This book offers readers a clearer understanding of the important role that social psychological processes play in the formation and maintenance of gangs and gang membership It will enhance readers understanding of gang members social cognition emotional intelligence well being and mental health as well as how these factors potentially promote and sustain individual gang involvement Readers will discover also how these important psychological characteristics vary according to an individual s commitment to a gang Organized in three sections the first focuses on issues relevant to theoretical perspectives of gang involvement Chapters include detailed examinations of a gang member s experiences and the implications of these for theoretical development and considerations of the importance of social and psychological issues such as group processes and levels of commitment to gang membership to understand and explain involvement in gangs The second section centers on issues such as adverse childhood experiences and trauma and examines their links to male and female gang membership as potential risk factors and outcomes of gang involvement The section concludes by contemplating how the mental health traumatic experiences and involvement in violence compares between gang members and other violent men in adulthood The final section considers current responses to gang membership by evaluating individual and group based approaches to gang prevention and intervention strategies and concludes with a theoretical conceptualization of how a strengths based approach could work to reduce gang involvement This book will be a useful text for a wide range of readers interested in or working with gang members including academics and students practitioners youth workers clinicians and criminal justice agents

Forensic Psychiatry and Psychology in Europe Kris Goethals,2018-05-30 This study guide aims to make European trainees in forensic psychiatry and psychology and young forensic psychiatrists and psychologists aware of the differences

and commonalities in forensic psychiatry and psychology in different countries within Europe and to enable them to learn from the approaches adopted in each country The guide is divided into five main sections that address legal frameworks service provision and frameworks mandatory skills teaching and training in forensic psychiatry and psychology and capita selecta In addition recommendations are made with respect to the practice of teaching and training across European countries It is anticipated that the guide will provide an excellent means of improving specific skills and that by learning about the offender patient pathways in the different jurisdictions of Europe the reader will gain a deeper understanding of the principles that govern methods and practices in their own work with mentally disordered offenders

What Works In Offender Rehabilitation An Evidence Based Approach To Assessment And Treatment Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading What Works In Offender Rehabilitation An Evidence Based Approach To Assessment And Treatment free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading What Works In Offender Rehabilitation An Evidence Based Approach To Assessment And Treatment free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF,"

users can find websites that offer free PDF downloads on a specific topic. While downloading What Works In Offender Rehabilitation An Evidence Based Approach To Assessment And Treatment free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading What Works In Offender Rehabilitation An Evidence Based Approach To Assessment And Treatment. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading What Works In Offender Rehabilitation An Evidence Based Approach To Assessment And Treatment any PDF files. With these platforms, the world of PDF downloads is just a click away.
