Whatever You Do, Don't Run Peter Allison, 2007 A warm funny and utterly engaging collection of tall and true tales from a young Aussie safari guide who has spent the last twelve years leading tours in the African bush

Don't Run, Whatever You Do Peter Allison, 2011-01-11 In the tradition of Bill Bryson a new writer brings us the lively adventures and biting wit of an African safari guide Peter Allison works as a top safari guide in the Okavango Delta an oasis of wetland in the middle of the Kalahari desert rich with wildlife As he caters to the whims of his wealthy clients he often has to overcome the impulse to run as far away from them as he can as these tourists are sometimes more dangerous than a pride of lions Full of outrageous but true tales of the people and animals he has encountered the young woman who rejected the recommended safari friendly khaki to wear a more fashionable hot pink ensemble the drunk half naked missing tourist who happened to be a member of the British royal family the squirrel that overdosed on malaria pills the monkeys with an underwear fetish and last but by no means least Spielberg the Japanese tourist who wanted a repeat performance of Allison's narrow escape from a pair of charging lionesses so he could videotape it these hilarious stories reveal Allison's good natured scorn for himself as well as others Allison's humour is exceeded only by his love and respect for the animals and his goal is to limit any negative exposure to humans by planning trips that are minimally invasive unfortunately it doesn't always work out that way as he and his clients discover to their cost when they find themselves up to their necks in a hippo infested watering hole Full of essential wisdom like don't run whatever you do and never stand behind a frightened zebra they are prone to explosive flatulence when scared this is a wonderfully vivid portrait of what the life of a safari guide is really like Allison's writing is high on colour and is packed with engaging accounts of the sort of things that are just another day at the office for the average safari guide If you love the thrill of safaris this book is for you It is full of hair raising stories of escape and adventure in the bush Having worked for more than twenty years in Botswana South Africa Namibia and Mozambique the stars of Allison's show are hungry lions and territorial hippos There are some white knuckle tales of dodging landmines too Sunday Telegraph Peter is the perfect storyteller with the ability to poke fun at himself Witty exciting and ultimately unmissable Real Travel He writes beautifully and viscerally about the rhythm of bush life This is an absorbing book as a reader you can't help but get caught up in the author's infectious enthusiasm for Africa's beauty and its beasts On turning the last page booking the first plane out to Botswana was most tempting

African bush Allison regales us with stories about confronting the world's fiercest terrain of wild animals and most terrifying of all managing herds of gaping tourists run amok His humor is exceeded only by his love and respect for the animals of the Kalahari As a top safari guide he knows he serves the whims of his wealthy clients yet he often has to stop the impulse to run as far away from them as he can When this isn't possible his goal is to limit any negative exposure to humans by planning trips that are minimally invasive unfortunately it doesn't always work out that way With much good-natured scorn for himself no one but Peter Allison could make up these outrageous but true tales [Don't Look Behind You!](#) Peter Allison,2009-09-01 Incredible true tales from a world renowned safari guide and celebrated author Romantic notions aside being a safari guide isn't always particularly enjoyable or glamorous Quite often it is beset with challenges like having to spend a night in a thorn tree with marauding hyenas below But safari guide Peter Allison lives for such moments Here the author of the widely praised *Whatever You Do Don't Run* details his time spent in safari camps not only in Botswana but also in South Africa Mozambique and Namibia places he loves despite how much it feels like they might just be trying to kill him In *Don't Look Behind You* Allison recounts adventures few would live to tell Like the time he and a group of bored guides launched a makeshift raft into a foaming flooded river teeming with hippos and crocodiles Or the afternoon he heard monkeys telling him that a leopard was walking around the camp and then realized the leopard was in his tent with him in it In addition to relating his encounters with animals Allison shares the stories of those tourists who have long been pushing him toward early retirement Normally respectful of all his fellow creatures no matter how many feet they have Allison fantasizes about leaving one in particular behind on the Skeleton Coast a place that receives less than half an inch of rain a year and is patrolled by lions and hyenas Join Peter Allison for another riveting rollicking behind the scenes dose of everyone's dream experience going on safari and come through amazed but thankfully without a scratch **How to Walk a Puma** Peter Allison,2011-12-20 On his nineteenth birthday Peter Allison flipped a coin One side would take him to Africa and the other to South America the two places he wanted to explore before he died He recounted his time spent as a safari guide in Africa to much acclaim in *Whatever You Do Don't Run* and *Don't Look Behind You* Sixteen years later he makes his way to Santiago Chile ready to seek out the continent's best weirdest and wildest adventures and to chase the elusive jaguar In just the first six months Allison is bitten by a puma several times knocked on his head by a bad empanada and surrounded by piranhas while rafting down a Bolivian river all because of his unusual fear of refrigerators and of staying in any one place for too long Ever the gifted storyteller and cultural observer Allison makes many observations about life in humid climes the nature of nomadism and exactly what it is like to be nearly blasted off a mountain by the famous Patagonia wind Allison's self-deprecating humor is as delightful as his crazy stunts and his love for animals even when they bite is infectious **Fodor's The Complete Guide to African Safaris** Fodor's Travel Guides,2022-03-07 Whether you want to follow the Great Migration in Kenya and Tanzania explore Botswana's Okavango Delta or experience Victoria Falls the local Fodor's travel experts in

electricity water education and health services to almost all of its people and become a model nation that owned its natural resources and plowed the profits back into the nation s development Despite these successes Botswana has a high unemployment rate about 20 percent and a much larger cohort of the underemployed This fifth edition of Historical Dictionary of Botswana contains a chronology an introduction appendixes an extensive bibliography and more than 700 cross referenced entries on important personalities and aspects of the country s politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Botswana
