Shaking Hands with the Devil William James Abraham, 2013 In the wake of 9 11 much has been written on terrorism Some have examined the potential relation between religion and terrorism few if any have studied the relation between theology and terrorism In the latter case the crucial issue is whether theology provides indirect or direct motivation and justification for terrorist acts Drawing on his childhood and youth in Northern Ireland William J Abraham tackles the latter question head on He argues that religious themes and practices play a pivotal indirect role in terrorism in Ireland and shows that theology plays a pivotal direct role in forms of Islamist terrorism Hence

current forms of terrorism cannot be fully understood without coming to terms with the crucial place of religion and theology in their origins and persistent existence Beyond this he explores what ordinary people can do to respond to terrorism what they should expect from the state by way of protection how they can resist pious nonsense about forgiveness in respect to terrorism and how they can face the depth of evil that terrorism represents for all of us Written with economy and energy this book is an eye opener on terrorism it is also a rigorous theological response to the moral and spiritual challenges posed by one of the great evils of our times **A Time Such as There Never Was Before** Alan Bowker,2014-08-19 Ottawa Book Award 2015 Shortlisted Between 1918 and 1921 a great storm blew through Canada and raised the expectations of a new world in which all things would be possible The years after World War I were among the most tumultuous in Canadian history a period of unrelenting change drama and conflict They were in the words of Stephen Leacock a time such as there never was before The war had been a great crusade promising a world made new But it had cost Canada sixty thousand dead and many more wounded and it had widened the many fault lines in a young diverse country In a nation struggling to define itself and its place in the world labour farmers businessmen churches social reformers and minorities had extravagant hopes irrational fears and contradictory demands What had this sacrifice achieved Whose hopes would be realized and whose dreams would end in disillusionment Which changes would prove permanent and which would be transitory A Time Such As There Never Was Before describes how this exciting period laid the foundation of the Canada we know today *For a Better World* James Naylor,Rhonda L.
