When Autumn Comes Creating Compassionate Care For The Dying:

When Autumn Comes Mary Jo Bennett, 2004-04 When Autumn Comes will help you appreciate and respond to the important needs and delicate issues of our final passage through life With wisdom and sensitivity it gives practical keys for creating a holistic comforting environment for those nearing the end of life so they can face death with peace and dignity The author shares her intimate relationship with death in the loss of her lover and close friends and in her many years of experience at the bedside of the dying as a hospice volunteer Her moving journey through grief tears and companionship shows how we can find greater compassion and understanding in caring both for the dying and for ourselves in our time of loss When Autumn Comes shows us that with compassionate care the end of life can be a time of personal growth and healing for the dying and their loved ones Dannion Brinkley chairman and founder of Compassion in Action and author Saved by the Light Borrowing from her years of experience as a hospice volunteer Mary Jo Bennett offers both practical advice and thoughtful reflection on the art of caring for the terminally ill When Autumn Comes is invaluable to hospice volunteers and other caregivers who are struggling with the nitty gritty details of care and the deeper questions that often arise through such loving work James Hallenbeck M D Assistant Professor of Medicine Stanford University School of Medicine and author of Palliative Care Perspectives *Compassion* Philip Joseph Larkin, 2015-10-15 Presentaci n editorial The most eminent international experts critically reflect upon the role of compassion in the practice and delivery of palliative and hospice care From a range of backgrounds they provide insight into the practice of compassionate palliative care and explore the fundamental historical discourse surrounding this crucial concept **Cobweb Bride: The Complete Trilogy** Vera Nazarian, 2018-08-04 Contains the following complete novels Cobweb Bride Book One Cobweb Empire Book Two Cobweb Forest Book Three Praise for Cobweb Bride Nazarian writes clean and true prose Publishers Weekly Set in an alternate Renaissance Europe this series opener by Russian born Nazarian combines the stylistic manner of a folktale with the trappings of an epic fantasy one driven by compassion rather than heroics Fans of period fantasy and those who like stories that feel like fairy tales should appreciate this skillful novel by the twice Nebula Award nominated author of Dreams of the Compass Rose and The Duke in His Castle Library Journal I really enjoyed the rich complex and highly unusual storytelling in the Cobweb Bride Nazarian does an excellent job of painting the Renaissance world of her alternate reality and bringing in interesting twists of fantasy to the story Everything about this story that was fresh and new I loved the premise it was built on and I loved the story itself The characters are rich multi dimensional and so easy to get to know and identify with I am really looking forward to reading the next book in the trilogy when it comes out and in finding out more about what happens to the characters that still have a mission to carry out and how the story eventually resolves by the end of the trilogy I recommend this book to readers of YA lovers of fantasy alternate history and alternate reality It was a terrific read Tracy M Riva Midwest Book Review Cobweb Bride is astonishing and captivating a lush fantasy of imagery and magical realism The

visuals are illustrated by the author's lyrical and metaphoric writing Every chapter and scene revels in this mortal coil surrounded by an expansive collage of characters immersed in a plot as rich and decadent as a Verdi opera The vibrancy of Ms Nazarian's writing is sheer kaleidoscopic visualization The folkloric fable twists and turns recount shavings from the mythos of Hades and Persephone without boring you with a full blown serving of predictability The romance is as subtle as it is grim with glimmers of hope taking us further to our doom perhaps The overall tone is introspective hauntingly quiet with elements of horror fantasy that are as provocative as the works of Tanith Lee and Storm Constantine Patrice Romantic Historical Reviews a 5 Star Top Pick Many are called She alone can save the world and become Death's bride COBWEB BRIDE is a history flavored fantasy novel with romantic elements of the Persephone myth about Death's ultimatum to the world
