Tao Te Ching: A Perspective Swami Bodhidharma, 2021-02-28 There are only a few books ever written that speaks the truth so simply yet so elegantly as Tao Te Ching The wisdom of Lao Tzu is eternal but may sound lofty yet impractical as Lao Tzu himself says to the lay people The author makes an effort to demystify the great wisdom and makes it an easy to understand practical guide for anyone willing to start their own spiritual journey However the author believes that spirituality shouldn't be something practiced by a select few seekers His pragmatic approach to life will be understandable to anyone of any profession As he says there's nothing called supernatural Everything within nature is natural Whatever we do not understand we just call it supernatural Tao means The way The book is an invitation to anyone willing to walk on it and discover the treasures of one's own heart

Strategic Internal Communication Susanne Dahlman, Mats

Heide,2020-10-27 What is internal communication What role does it play in contemporary organizations What are the consequences of malfunctioning internal communication There are many aspects of internal communication work related social formal informal vertical horizontal between coworkers between coworkers and managers communication before and under organizational changes internal crisis communications and so forth We think of different forms of communication channels such as intranet staff magazines electronic billboards and internal television This book interconnects these different parts and emphasizes the strategic value and importance of internal communication We understand internal communication as an unused capital with a large potential for organizational success Further we understand internal communication as a basic prerequisite of organizations that is performed by all members of an organization managers coworkers and communication professionals Traditionally there has been too much emphasis on the work and function of communication professionals when internal communication is discussed but most of the communication value is actually produced by managers and coworkers However communication professionals are the communication experts in organizations that strategically facilitate the organization This book is based on a cooperation between Susanne Dahlman senior communication consultant and Mats Heide Professor in Strategic Communication at Lund University Hence this book has a unique approach that covers both practical and academic aspects of internal communication This book is a response to the demand for a book that covers the strategic aspects of internal communication in practice and as such is ideal reading for both practitioners and advanced students
