The Shadow Girls Henning Mankell, 2012-10-16 From the New York Times bestselling author A story of one man's awakening and a heartfelt reminder of the many people whose struggles are never known. The Plain Dealer Jesper Humlin a poet of middling acclaim and underwhelming book sales is facing a crisis. His boy wonder stockbroker has squandered Humlin's investments and his editor who says he must write a crime novel to survive starts pitching and promoting the nonexistent book despite Humlin's emphatic refusals. Then when he travels to Gothenburg to give a reading he finds himself thrust into a world where names shift stories overlap and histories are both deeply secret and in profound need of retelling. Leyla from Iran Tanya from Russia and Tea Bag who is from Africa but claims to be from Kurdistan because Kurds might receive preferential treatment as refugees these are the shadow girls who become Humlin's unlikely pupils in impromptu writing workshops. Though he had imagined their stories as fodder for his own book soon their intertwining lives require him to play a much different role. Offering both surprising humor and heartrending tragedy *The Shadow Girls* is a passionate and entertaining triumph that will astonish longtime fans of Mankell's acclaimed Kurt Wallander novels as well as readers new to his work. The Daily Telegraph

A Treacherous Paradise Henning Mankell, 2013-07-09 From the internationally acclaimed author of the Wallander crime series a dramatic new standalone novel set in turn of the century Sweden and Mozambique whose indomitable female protagonist is awoken from naiveté by her exposure to racism and by her own unexpected inner strengths. Cold and poverty define Hanna Renström's childhood in remote northern Sweden and in 1905 at 19 she boards a ship for Australia in hope of a better life. But none of her hopes or fears prepares her for the life she will lead. After 2 brief marriages she finds herself a widow twice over and the owner of a bordello in Portuguese East Africa a world where colonialism and white supremacy rule where she is isolated within society by her profession and her sex and among the bordello's black prostitutes by her colour. As Hanna's story unfurls over the next several years we watch her in this treacherous paradise as she wrestles with a constant wrenching loneliness and with the racism she's meant to unthinkingly adopt. And as her life becomes increasingly intertwined with the prostitutes she moves inexorably toward the moment when she will make a decision that defies every expectation society has of her and more importantly those she has of herself.
