Containing over 60 000 entries this new edition of the authoritative work on slang details the slang and unconventional English of the English speaking world since 1945 and through the first decade of the new millennium with the same thorough intense and lively scholarship that characterized Partridge's own work. Head Cleaner David James Keaton, 2023-01-31 *HEAD CLEANER* is a hugely original blend of thriller science fiction and horror that takes our love of nostalgia to task for its morbid obsessions with dead media and dead end jobs *Clerks* meets *Black Mirror* with a little *Groundhog Day* and *Russian Doll* thrown in for good measure The last Blockbuster video store in the United States is hanging on by a thread And after a crazy night attempting to track down a lost VCR rental to collect the record setting and internet famous late fee three employees idealistic Eva cinephile Jerry and their tyrannical manager Randy discover that this machine may actually have the power to change the endings of popular films which depending on the historical basis of the film might also be changing the real world around them Or could this just be an elaborate increasingly deadly prank When they begin receiving videotapes and voicemails seemingly depicting their deaths Eva Jerry and Randy scramble to keep the VCR from falling into the wrong hands And as one action packed evening begins to seemingly repeat itself or does it scores are settled and unwanted confessions begin to fly until a *Final Girl* finally unravels a grand psychological experiment orchestrated at the highest levels of a crumbling social media empire
