George Alexander Kohut

The Violence Of Love:

The Violence of Love Romero, Oscar, 2021-02-01 These selections from the sermons and writings of Archbishop Oscar Romero shared the message of a great holy prophet of modern times Three short years transformed Romero archbishop of San Salvador from a conservative defender of the status quo into one of the church s most outspoken voices of the oppressed Though silenced by an assassin s bullet his spirit and the challenge of his life lives on **The Odyssey of Love** Paul Krause, 2021-07-08 Tolle Lege take up and read These words from St Augustine perfectly describe the human condition Reading is the universal pilgrimage of the soul In reading we journey to find ourselves and to save ourselves The ultimate journey is reading the Great Books In the Great Books we find the struggle of the human soul its aspirations desires and failures Through reading we find faces and souls familiar to us even if they lived a thousand years ago The unread life is not worth living and in reading we may well discover what life is truly about and prepare ourselves for the pilgrimage of life

Effacing the Self Marc De Kesel, 2023-08-01 In spirituality and mysticism many seek a counterbalance to the strong emphasis on the self that modernity demands of us We desire a fixed self on the one hand and are fascinated by selflessness on the other But is our fascination with selflessness not a ruse to make that self of ours even stronger And is that self critical question not the kernel of even traditional mysticism Marc De Kesel investigates some dark rooms of the mystical tradition to clarify this This is a book for all who want to free themselves from the conceptual frameworks and rigid dogmas of late modern religiosity The first part of the volume deals directly with early modern Christian mysticism and more specifically

with the French spiritualit and discussions centered around the problem of what it means to love God in a pure radically unselfish way The second part explores the paradoxical dialectics between self and selflessness in relation to the way Christian religion deals with its own identity If Christian love is selfless why has Christianity in the end not given up its own self its own identity The third and last part of the volume discusses the dialectics between self and selflessness in three other domains popular spirituality politics and modern science It makes clear that selflessness is not limited to mysticism but is both a fascination and a problem paradox for modernity in many fields The General Baptist repository, and Missionary observer [afterw.] The General Baptist magazine repository and Missionary observer [afterw.] The General Baptist magazine,1884

The Poison of Love K R Meera,2017-02-14 When Tulsi first meets Madhav she is irrevocably drawn to his chiselled good looks and charm Although wary of his many dalliances and the string of broken hearts left in his wake she is surprised by the intense desire that Madhav arouses in her And before long she forsakes her family her prospective career her fianc all for the love of this inscrutable man But love can be like poison And nothing can prepare Tulsi for the heartache and betrayal that lie ahead Years later Tulsi escapes to the ancient city of Vrindavan seeking redemption amidst the cries and prayers of its anguished widows However when her past catches up with her old wounds resurface with dramatic consequences By turns savage and tender The Poison of Love is a spellbinding tale of love and sacrifice pain and retribution confirming K R Meera as one of our most fearless and accomplished writers An exposition of the prophecy of Joel, according to the principles of the New Church James John G. Hyde,1898 *The Ambivalence of Scarcity and Other Essays* Paul Dumouchel,2014-10-01 First published in French in 1979 The Ambivalence of Scarcity was a groundbreaking work on mimetic theory Now expanded upon with new specially written and never before published conference texts and essays this revised edition explores Ren Girard s philosophy in three sections economy and economics mimetic theory and violence and politics in modern societies The first section argues that though mimetic theory is in many ways critical of modern economic theory this criticism can contribute to the enrichment of economic thinking The second section explores the issues of nonviolence and misrecognition m connaissance which have been at the center of many discussions of Girard s work The final section proposes mimetic analyses of the violence typical of modern societies from high school bullying to genocide and terrorist attacks Politics Dumouchel argues is a violent means of protecting us from our own violent tendencies and it can at times become the source of the very savagery from which it seeks to protect us The book s conclusion analyzes the relationship between ethics and economics opening new avenues of research and inviting further exploration Dumouchel s introduction reflects on the importance of Ren Girard s work in relation to ongoing research especially in social sciences and philosophy **The Living Age** ,1908
