The Literary Afterlives of Simone Weil Cynthia R. Wallace, 2024-04-23 Finalist 2025 Scholarly Writing Award Saskatchewan Book Awards The French philosopher mystic activist Simone Weil 1909-1943 has drawn both passionate admiration and scornful dismissal since her early death and the posthumous publication of her writings She has also provoked an extraordinary range of literary writing focused on not only her ideas but also her person novels nonfiction and especially poetry Given the challenges of Weil's ethic of self-emptying attention what accounts for her appeal especially among women writers This book tells the story of some of Weil's most dedicated and at points surprising literary conversation partners exploring why writers with varied political and religious commitments have found her thought and life so resonant Cynthia R. Wallace considers authors who have devoted decades of attention to Weil such as Adrienne Rich Annie Dillard and Mary Gordon and who have written poetic sequences or book length verse biographies of Weil including Maggie Helwig Stephanie Strickland Kate Daniels Sarah Klassen Anne Carson and Lorri Neilsen Glenn She

[Draw Your Weapons](#) Sarah Sentilles,2017-07-04 A single book might not change the world But this utterly original meditation on art and war might transform the way you see the world and that makes all the difference How to live in the face of so much suffering What difference can one person make in this beautiful imperfect and imperiled world Through a dazzling combination of memoir history reporting visual culture literature and theology Sarah Sentilles offers an impassioned defense of life lived by peace and principle It is a literary collage with an urgent hope at its core that art might offer tools for remaking the world In Draw Your Weapons Sentilles tells the true stories of Howard a conscientious objector during World War II and Miles a former prison guard at Abu Ghraib and in the process she challenges conventional thinking about how war is waged witnessed and resisted The pacifist and the soldier both create art in response to war Howard builds a violin Miles paints portraits of detainees With echoes of Susan Sontag and Maggie Nelson Sentilles investigates images of violence from the era of slavery to the drone age In doing so she wrestles with some of our most profound questions What does it take to inspire compassion What impact can one person have How should we respond to violence when it feels like it can t be stopped Praise for Draw Your Weapons A collage of death savagery torture and trauma across generations and continents Sarah Sentilles s Draw Your Weapons is painful to read hard to put down and impossible to forget O The Oprah Magazine In her dynamic impressionistic and cleverly titled book Sentilles focuses on language and images particularly photography and considers what role they play in peace and war Eschewing a traditional narrative Sentilles focuses on two men one a World War II conscience objector who makes violins and the other an Abu Ghraib prison guard who paints detainee portraits In brief delicately layered pieces rather than a narrative Sentilles has created a collage that explores art violence and what it means to live a principled life The National
