## **The Virtues Of War A Novel Of Alexander The Great:**

**The Virtues of War** Steven Pressfield, 2005-09-27 I have always been a soldier I have known no other life So begins Alexander's extraordinary confession on the eve of his greatest crisis of leadership By turns heroic and calculating compassionate and utterly merciless Alexander recounts with a warrior's unflinching eye for detail the blood the terror and the tactics of his greatest battlefield victories Whether surviving his father's brutal assassination presiding over a massacre or weeping at the death of a beloved comrade in arms Alexander never denies the hard realities of the code by which he lives the virtues of war But as much as he was feared by his enemies he was loved and revered by his friends his generals and the men who followed him into battle Often outnumbered never outfought Alexander conquered every enemy the world stood against him but the one he never saw coming **BONUS** This edition contains an excerpt from Steven Pressfield's *The Profession* **Alexander** Steven Pressfield, 2004 There is nothing impossible to him who will try Alexander the Great 356 323 BC was 20 when he ascended to the throne of Macedon He fought his greatest battles and conquered the seemingly invincible Persian Empire before he was 25 He died when he was 32 undefeated by any enemy His reputation as a warrior and leader of men remains unsurpassed in the annals of history Epic in scope and magisterial in tone this novel is the perfect combination of author and subject Pressfield who almost single handedly reinvented the classical historical novel tells the story of this icon of the ancient world brutal avenger of his father's murder student of Aristotle commander of genius ruthless conqueror of nations No one evokes ancient warfare as brilliantly as Pressfield Audaciously making Alexander the narrator of his own story he gives us a vivid and thrilling sense of those brutal and bloody times from inside the mind of this legendary warrior who was driven and ultimately undone by his insatiable lust for glory As immediate and gripping as bulletins from the front line and as intimate and revealing as a private diary this thrilling historical novel is destined to become a classic

Alexander Steven Pressfield, 2004 Alexander the Great 356 332 B C ascended to the throne of Macedon at the age of only 19 He fought his greatest battles including the conquest of the mighty Persian Empire before he was 25 He died at the age of 33 undefeated by any enemy His reputation as a supreme warrior and leader of men is unsurpassed in the annals of history Narrated in the brilliantly imagined first person voice of Alexander himself Steven Pressfield's new novel brings to life the epic battles the unerring command of his forces and the passions and ambitions that drove arguably the greatest commander the world has ever known and paints a full blooded multi dimensional portrait of this complex character Alexander was a fearless commander who moved with such daring and speed that no army could withstand him a driven leader whose ambitions knew no limits and a man with boundless compassion for his troops deep friendships with his generals and profound respect for his enemies Yet in the end his noble qualities were subsumed by his insatiable lust for glory No one evokes the ancient battlefield as brilliantly as Pressfield and in *ALEXANDER THE VIRTUES OF WAR* he vividly describes the seminal confrontations of Alexander's career the tactics and the blood heat and terror of man to man combat in the ancient

world He follows Alexander's forces as they faced and defeated armies that far outnumbered them from a thrilling frontline report from Gaugamela the scene of Alexander's greatest victory to the moving agonising moment that brought the great conqueror to a halt not as a result of any enemy but by the refusal of his exhausted troops to march any further Here then are the glory and the gore the passion and the pageantry the agony and the ecstasy of the life and times of Alexander the Great as envisioned and brought to brilliant bloody and utterly unputdownable life by Steven Pressfield Epic in scope and magisterial in tone ALEXANDER THE VIRTUES OF WAR is sure to take its place among the classics of historical fiction

**The Virtues of War** Steven Pressfield,2004 **The Virtues of War** Steven Pressfield,2004 I have always been a soldier I have known no other life So begins Alexander's extraordinary confession on the eve of his greatest crisis of leadership By turns heroic and calculating compassionate and utterly merciless Alexander recounts with a warrior's unflinching eye for detail the blood the terror and the tactics of his greatest battlefield victories Whether surviving his father's brutal assassination presiding over a massacre or weeping at the death of a beloved comrade in arms Alexander never denies the hard realities of the code by which he lives the virtues of war But as much as he was feared by his enemies he was loved and revered by his friends his generals and the men who followed him into battle Often outnumbered never outfought Alexander conquered every enemy the world stood against him but the one he never saw coming From the Trade Paperback edition House of War Hamilton Wende,2012-10-02 What drove one man to set out to conquer the known world What madness What unquenchable desire What love Sebastian Burke a British academic has spent his whole life trying to understand the secret life of Alexander the Great and his slave bride Roxane Now with the Taliban forced underground he finally has the opportunity to undertake the journey he has dreamed of for almost his entire adult life a journey into the heart of Alexander's world a journey to the lost city of Ay Khanoum in northern Afghanistan Here with the help of Claire Finch a fiercely independent American documentary producer he hopes to find and expose to the world the contents of the Royal Diaries of Alexander the last copies of which were kept in the city before its destruction by barbarian invaders from the East However from the moment two American servicemen are murdered by Al Qaeda terrorists in the bar of their hotel in Tashkent it becomes clear that there is far more at stake than just Sebastian's reputation as a historian and what started out as a quest to validate a lifetime of academic study quickly turns into a journey of discovery that will bring Sebastian face to face with his Rhodesian past a past he has run from for more than thirty years **A Companion to Sparta** Anton Powell,2017-10-18 A Companion to Sparta umfasst zwei Bände und präsentiert erstmals umfassend Essays unterschiedlichster Autoren über sämtliche Aspekte der Geschichte und Gesellschaft Spartas von den Anfängen in den Dunklen Jahrhunderten Griechenlands bis zum Römischen Kaiserreich Bietet eine klare und umfassende Einführung in sämtliche Aspekte von Sparta als eine Gemeinschaft die von Ständen aus dieser Zeit als eine der einflussreichsten Mächte im klassischen Griechenland angesehen wurde Präsentiert ausführlich die Geschichte und Kultur Spartas in Beiträgen internationaler Autoren darunter

nahezu alle Experten und Wissenschaftler des Fachgebiets Enthält aber ein Dutzend Abbildungen zur Kunst Spartas die die Entwicklung des alltäglichen Lebens in Sparta zeigen Beleuchtet die heutige Kontroverse über Veränderungen in der Gesellschaft Spartas von der archaischen bis zur klassischen Periode aus einem neuen Blickwinkel *Sparta and the Commemoration of War* Matthew A. Sears, 2023-12-21 The tough Spartan soldier is one of the most enduring images from antiquity Yet Spartans too fell in battle so how did ancient Sparta memorialise its wars and war dead From the poet Tyrtaeus inspiring soldiers with rousing verse in the seventh century BCE to inscriptions celebrating the 300's last stand at Thermopylae and from Spartan imperialists posing as liberators during the Peloponnesian War to the modern reception of the Spartan as a brave warrior defending the West Sparta has had an outsized role in how warfare is framed and remembered This image has also been distorted by the Spartans themselves and their later interpreters While debates continue to rage about the appropriateness of monuments to supposed war heroes in our civic squares this authoritative and engaging book suggests that how the Spartans commemorated their military past and how this shaped their military future has perhaps never been more pertinent **Seekers of the Naked Truth** Paul LeValley, 2018-01-01 Why would I spend a good portion of my time over the last 35 years gathering information on the Gymnosophists The story begins even earlier As an undergraduate student in the Flint College of the University of Michigan I pursued an English major with a strong history minor always looking for something between the two and rarely finding it Then in my practice teaching I happened into one of the early experimental high school courses in Interdisciplinary Humanities With the exciting interrelationships between art literature music philosophy and history I said YES this was what I had been looking for So I pioneered in teaching high school Humanities for the next few years Interdisciplinary Humanities was a bottom up movement Gradually colleges began offering Masters programs to give teachers the rich background they needed I decided I was not tied to Michigan where it was cold I would find the best Masters program in Humanities anywhere in the world and go there Well it turned out that the best Masters program in the world was at Wayne State University in Detroit of all places Unlike other programs that were really just double majors Wayne offered truly interdisciplinary classes Moreover they offered an Eastern track and a Western track Knowing that I would never find that Eastern track anywhere else I studied interdisciplinary courses in the cultures of India China Japan and Egypt The middle eastern professor was on sabbatical when I was there I especially liked India perhaps because I had already travelled around the world and India impressed me the most Going Places Robert Burgin, 2013-01-08 Successfully navigate the rich world of travel narratives and identify fiction and nonfiction read alike with this detailed and expertly constructed guide Just as savvy travelers make use of guidebooks to help navigate the hundreds of countries around the globe smart librarians need a guidebook that makes sense of the world of travel narratives *Going Places A Reader's Guide to Travel Narratives* meets that demand helping librarians assist patrons in finding the nonfiction books that most interest them It will also serve to help users better understand the genre and their own reading
