The Virus Within A Coming Epidemic:

The Virus Within Nicholas M. Regush, 2001 This study highlights the research of two scientists Donald Carrigan and Donnie Knox on the HHV 6 virus which the two men argue is the causative factor in AIDS MS and Chronic Fatigue Syndrome This book describes the scientists' battle to get their findings recognized *The Macrobiotic Path to Total Health* Michio Kushi, Alex Jack, 2008-12-10 Food is the chief of all things the universal medicine Food transmutes directly into body mind and spirit creates our day to day health and happiness from The Macrobiotic Path to Total Health Even in medical schools alternative medicine is blossoming Two thirds of them now offer courses in complementary healing practices including nutrition At the heart of this revolution is macrobiotics a simple elegant and delicious way of eating whose health benefits are being confirmed at an impressive rate by researchers around the world Macrobiotics is based on the laws of yin and yang the complementary energies that flow throughout the universe and quicken every cell of our bodies and every morsel of the food we eat Michio Kushi and Alex Jack distinguished educators of the macrobiotic way believe that almost every human ailment from the common cold to cancer can be helped and often cured by balancing the flow of energy the ki inside us The most effective way to do this is to eat the right foods according to our individual day to day needs Now in this marvelous guide they give us the basics of macrobiotic eating and living and explain how to use this powerful source of healing to become healthier and happier to prevent or relieve more than two hundred ailments conditions or disorders both physical and psychological This encyclopedic compendium of macrobiotic fundamentals remedies menus and recipes takes into account the newest thinking and evolving practices within the macrobiotic community The authors integrate all the information into a remarkable A to Z guide to macrobiotic healing from AIDS allergies and arthritis to cancer diabetes and heart disease They also clearly explain what we need to know to start eating a true macrobiotic diet that will provide us with a complete balance of energy and nutrients Living as we all do in environmental and climactic circumstances that are largely outside our personal control it is vital that we follow a healthy lifestyle including a flexible diet that we can adjust to meet our own individual needs The Macrobiotic Path to Total Health gives us precisely the tools and the understanding we need to achieve this goal Use it to build a strong active body and a cheerful resourceful mind **Pandemic Police Power, Public Health and the Abolition Question** Tryon P. Woods, 2022-02-17 This book critically explores how police power manifested beyond criminal law into the field of public health during the pandemic Whilst people were engaged with anti police violence protests particularly in the US they were being policed openly and notoriously by the government and medical science in the public health arena The book explores how public health policing might be an abuse of constitutional power and encourages the abolition question to be applied consistently to the state's discourse in the area of public health as black people the world over continue to bear a disproportionate cost burden for public health policies The chapters explore contemporary policing in terms of the historical context of slavery the growth of the police and prison abolition movement and how this should be

applied more widely and how police power operates throughout society beyond the criminal justice system in finance technology housing education and in medicine and health science It seeks to re examine our relationship to health sovereignty and the police power more fundamentally It provides insights into the convergence of policing and social control of humans and argues that the most normative response is abolition **Understanding Viruses** Teri Shors,2013
