Neimeyer,1985 **Personal Constructivism** Larry Milton Leitner,Jill C. Thomas,2009 In a sense the multifaceted contributions in this compendium deconstruct and reconstruct the very concept of personal construct psychology tracing its personal origins in the life and work of George Kelly examining its implications for the construction of a social self and its shadow side alienation and exploring its affordances for a striking range of clinical and theoretical issues Anyone who

wonders whether this wellspring of constructivist psychology continues to feed into vital contemporary discourse will be reassured by the strength vitality and novelty of the contributions to these pages and the clarity with which Kelly s voice is echoed and extended in the voices of subsequent generations of scholars Robert A Neimeyer Ph D University of Memphis and author Constructivist Psychotherapy **South African Journal of Higher Education** ,2008
