Sam knows that he has failed Emma in the past and he doesn't intend to let her down again. Especially since her life is on the line. As the threads of the investigation cross and tangle with their own personal history, Sam and Emma have a chance to discover the truth not only about the victim but about what went wrong in their relationship. Bass, 2018-04-17 There are times we all feel we need more than one heart to get through. When Briana's father dies, she imagines she has a new heart growing inside her. It speaks to her in her Dad's voice. Some of its commands are mysterious. Find Her, it says. Be Your Own. How can Briana be her own when her grieving mother needs her to take care of her demanding little brother all the time? When all her grandpa can do is tell stories instead of being the rock she needs? When her not-so-normal home life leaves no time to pursue her dream of writing for the school literary magazine? When the first blush of a new romance threatens to be nipped in the bud? Forced by the loss of her favorite parent to see all that was once familiar with new eyes, Briana draws on her own imagination, originality, and tender loving heart to discover a surprising path through the storm.

Millions Pepper Winters, 2017-11-28 Love had been given and taken and now it had been stolen. No one steals from a thief, especially from me, and I will defend what's mine until my dying breath. It's not a question of what I'm willing to sacrifice but who to deserve her. Once upon a time I stupidly believed if I could make Elder fall for me, everything would be perfect. Now I'm missing and he's hunting, and everything is far from our happily ever after. He gave me his heart and I gave him my promise, but true love isn't sacred to others. War is coming, disaster is brewing, and I'm not going down without a fight. Elder is mine. I am his. And no one can keep us apart. The fifth and final book in the USA Today Bestselling Romance.
