Traditional Witchcraft For The Seashore:

Traditional Witchcraft for the Seashore Melusine Draco,2012-01-27 Although we are an island race few are fortunate to live near enough to the sea to use the shoreline as a regular magical working area And yet for the natural witch born and bred by the sea the beach and rocky shore are equally as magical as the inland woods and hills of more traditional approaches to witchcraft The author takes us on a magical journey along the seashore and reveals how to work with the natural oceanic tides and energies Learn how to harness the powers of the deep and collect flotsam and jetsam for use as ritual tools A book like no other

Pagan Portals - Sexual Dynamics in the Circle Melusine Draco,2021-03-26 One of the most significant social changes in the 20th century was the wedge driven between the males and females of Craft as a result of social media and political feminism From a purely magical point of view the battle of the sexes has been one of the most negative crusades in the history of mankind since everything in the entire Universe is made up from a balance or harmony of opposite energies Men and women are different as night and day but still part of the same homo sapiens coin regardless of their individual sexuality

Paganism 101 Trevor Greenfield,2014-02-28 Paganism 101 is an introduction to Paganism written by 101 Pagans Grouped into three main sections Who we are What we believe and What we do twenty topics fundamental to the understanding of the main Pagan traditions are each introduced by essay and then elaborated upon by other followers and practitioners giving the reader a greater flavor of the variety and diversity that Paganism offers With introductory essays from leading writers such as Emma Restall Orr Mark Townsend Brendan Myers Jane Meredith Alaric Albertsson and Rachel Patterson and with supporting vignettes from those at the heart of the Pagan community Paganism 101 offers a truly unique insight

Pagan Portals - Western Animism Melusine Draco,2019-07-26 A Zen approach to the World the Universe and Everything Many of today s disenfranchised pagans in the West appear to be seeking a spiritual connection to life without feeling the need to become a witch a Wiccan a shaman Heathen or a Druid Here the Shinto approach fulfils the basic need for a belief system based on what we would define as simple animism and ancestor worship in accord with the world s other authentic animistic traditions such as the Australian Aboriginal and Native American way of life while Zen provides the intellectual stimulation rising from the simplicity of basic folk belief to elevate the soul to a higher level of mysticism

Compass Points - The Pagan Writers' Guide Suzanne Ruthven,2013-07-26 I want to be a pagan author and

write for the pagan community can you tell me how to get published Writing for the pagan community is no different from writing for any other readership but we need to learn the basic rules before deciding whether we have any talent worth pursuing Regardless of our own personal levels of esoteric learning we need to go back to the basics of creative writing and see what tricks of the trade we can utilise We will see why editors and publishers are inundated with submissions of a certain kind and what we can do to give our writing editor appeal We will learn how to develop ideas via lateral thinking and develop the art of seeing through an editor's eyes

Pagan Portals - Spellbook & Candle Melusine Draco, 2012-10-26 Curses have given the world some of its greatest legends and folklore and the more grisly and gory the better we like them But cursing or ill wishing is not a practice confined to magical practitioners black white or grey it is a form of expression intended to do harm in reparation for some real or imagined insult and can be thrown by anyone of any race culture or creed without any prior experience of ritual magic or witchcraft According to the dictionary however a curse is defined as To invoke or wish evil upon to afflict to damn to excommunicate evil invoked on another person If this is the clear definition then under what circumstances can we challenge this established way of thinking and ask ourselves can cursing ever be justified And if we hesitate for just a moment then we must ask the next question Is cursing evil Like all aspects of life however it is advisable to put things in their proper perspective before passing judgement

Traditional Witchcraft for Urban Living Melusine Draco, 2012-02-16 For the witch whose career confines them to an urban environment regular Craft practice may often seem like a futile gesture especially if home is a small gardenless flat Even the suburbs can be magically incapacitating if there is constant noise from traffic and neighbours People work long hours without having the opportunity to notice the subtle changing of the seasons Weekends are a constant battle with family domestic chores and socialising It's no wonder that the urban witch has little time left for magical and spiritual development Traditional Witchcraft for Urban Living deals with the constant barrage of psychic problems that confront the urban witch on a daily basis Based on the teachings of a traditional Craft background the author successfully manages to blend the Old Ways with practical contemporary practice This book is part of the Traditional Witchcraft Series Other titles in the series are Traditional Witchcraft for the Seashore Jan 2012 Traditional Witchcraft for Fields and Hedgerows Mar 2012 and Traditional Witchcraft for the Woods and Forests Mar 2012
