Training Manual For Cooks:

Orientation & Training Manual for Cooks Mha Rdn Cassens, Clt Fand, 2017-08-08 Mealtimes are the highlight in most of our days. For residents in long-term care communities, it becomes and even more important time to look forward to enjoying the camaraderie and company of other cooks. In long-term care facilities, cooks are responsible for customer satisfaction, budgetary requirements, following physician orders, serving the meals on time, and ensuring that even the strictest diet tastes good. This book, intended as an overview and training tool, is written in simple language, large font, with enough white space for notes. The 3 chapters include regulatory requirements, food preparation, including liberalized diets, modified textures, food sanitation, and safety. It is not a lesson in how to cook but an orientation training tool for new cooks, an excellent review tool for experienced cooks. The 50 competency questions are helpful to determine skills and competency levels, what areas need further focus. The book can be used as a self-study guide or by managers/consultants to use in training staff. *Restaurant Training Manual* Jeffrey Schim, Donna L. Schim, 2016-04-02 Whether you are a new restaurant or an existing restaurant, the restaurant training manual will be the perfect guide to train your management and staff members. This guide covers all aspects of restaurant management and operations. This training manual goes into detail on how to provide top-notch customer service, kitchen and food preparation, tracking inventory, and sales, managing food and labor costs, how to be prepared for emergencies, and daily restaurant operations. Use different sections in this manual to train cooks, prep cooks, dishwashers, servers, greeters, bartenders, and barbacks. We recommend using the entire manual to train managers since they need to know all the areas in the restaurant. The information in this manual has been used in many successful restaurants. The material in this manual was created by individuals who worked in the restaurant industry and know how to create a thriving business with exceptional customer service. The manual includes the following management topics: Orientation, Sexual Harassment, Open Door Policy, Minor Laws, What Makes a Great Manager, Manager Job Description, Hiring and Termination Procedures, Interviewing and Hiring Process, Application and Hiring Do's and Don'ts of Hiring, Interviewing Process, Suspending/Terminating Employees, The Manager's Walk-through, and Figure Eights.
