How should Christians read the Old Testament today Answers to this question gravitate between two poles On the one hand some pay little attention to the gap between the Old Testament and today reading the Old Testament like a devotional allegory that points the Christian directly to Jesus On the other hand there are folks who prioritize an Old Testament passage s original context to such an extent that it is by no means clear if and how a given Old Testament text might bear witness to Christ and address the church This volume is a tribute to Willem A VanGemeren an ecclesial scholar who operated amidst the tension between understanding texts in their original context and their theological witness to Christ and the church The contributors in this volume share a conviction that Christians must read the Old Testament with a theological concern for how it bears witness to Christ and nourishes the church while not undermining the basic principles of exegesis Two questions drive these essays as they address the topic of reading the Old Testament theologically Christology If the Old Testament bears witness to Christ how do we move from an Old Testament text theme or book to Christ Ecclesiology If the Old Testament is meant to nourish the church how do scriptures originally given to Israel address the church today The volume unfolds by first considering exegetical habits that are essential for interpreting the Old Testament theologically Then several essays wrestle with how topics from select Old Testament books can be read theologically Finally it concludes by addressing several communal matters that arise when reading the Old Testament theologically How to Read the Bible for All Its Worth Gordon D. D author of Living A Course in Miracles 10 Keys for Unlocking the Bible Leader's Guide Colin Smith,2003-11-01 If you re just beginning to explore the rewards of Bible study here is the perfect introduction Colin S Smith has drawn from all four volumes of his work Unlocking the Bible Story to create this fascinating and thought provoking guide Using ten key words from his books he leads the reader through the Bible from Genesis to Revelation and opens doors to further inspiration 10 Keys offers a bridge to his series and is also a wonderful stand alone book of revitalizing truths Leader s Guide Lectio Divina Enzo Bianchi,2015-04-01 The Bible is ancient enigmatic and from a culture vastly different from our own That s why most of us find it hard to read So how can we understand its importance in the church and how can it enrich our lives Central to lectio divina is the conviction that to read the Bible faithfully and prayerfully is to learn an ancient art by entering into dialogue with the God who speaks to each of us through the biblical page Enzo Bianchi touches on the essentials of the history of lectio from the brilliant thinker Origen in the third century to the development of historical criticism in the modern era He explains how to do lectio and how to understand and implement its four moments lectio meditatio oratio and contemplatio This is not simply a book about how to approach the Bible because Scripture ultimately wants to lead us beyond itself to the truth and mystery of Christ that can never be captured fully in the written word With his deep biblical wisdom Bianchi is able to explore the whole Christian tradition of prayerful reading St Benedict mandates at least two hours of lectio divina a day for his monks which is a considerable challenge for the modern person But with Enzo as our guide we can do it Terrence G Kardong osb editor of American Benedictine Review Enzo Bianchi was born in Castel Boglione Piedmont Italy in 1943 In 1965 after graduating from the University of Turin he founded an ecumenical monastic community the Bose Community of which he is still the prior Friar Bianchi is a well known author of books on lectio divina and the spiritual life which have been translated into many languages He has dedicated himself to the search for spirituality capable of giving life to Christians today and furthering communion among all people The Bose Community now numbers over eighty brothers and sisters of various Christian traditions and receives thousands of visitors annually Enzo Bianchi is one of the most significant Christian voices in Europe He shows what can be achieved by an immersion in Scripture that involves both intellect and imagination alike and in common with all the most serious Christian voices of our day he cannot be labeled as a partisan liberal or traditionalist He offers exactly what the monastic voice at its truest has always offered a way into the heart of our ecclesial and social questions that is honest patient and sensitive His is a perspective that the English speaking Christian world should welcome enthusiastically Rowan Williams Magdalene College Cambridge I hope that these pages may be heard as a simple yet faithful echo of my personal experience my community s path and my journey with the church For years I have broken the bread of the Word for the brothers and sisters in my community Much of what I say here comes from that experience It also comes from many years of preaching the Word to listeners from all walks of life I would like to see this book ultimately as no more than a small gesture of gratitude to those witnesses of the Word whom the Lord has allowed me

to meet those martyrs of faith who have found ways to express all the richness of the Gospel in their lives Only those people who put God's Word into practice have really heard it They are the ones who truly understand the biblical text because they obey without delay the word Christ never tires of speaking to us The sequential sancti evangelii for today today's Gospel is not the product of brilliant scholarly research It is the life and witness of God's holy people those who are faithful disciples of the Word made flesh their Lord Enzo Bianchi *Knowing the Scriptures* Arthur T. Pierson, 1910 **Are We There Yet? A Common Sense Guide To End Times Scriptures** Michael Reed, 2017-08-25 The subject of the return of Jesus has fueled speculation ever since He left When is He coming Will we know when He is about to return Are the things happening in our world today signs of the times What does the book of Revelation say about the return of Jesus And what about the nation of Israel What role do they play in end times scenarios Mike Reed attempts to address these and other questions about Christ's return in this book For the average person and even for those who have studied the topic for awhile the subject of Christ's return can be overwhelming In this book the author will attempt to guide the reader into an understanding of the return of Christ first based upon what Jesus said about it and then looking at what the apostles and prophets have said The basis for the confusion on the subject is because most authors have not followed that sequence This is a book written for laymen It attempts to utilize good scholarship but it is written for the nonacademic follower of Jesus who wants to understand what our Lord said about this most important topic The book is also written with the desire to be a good example of how to utilize sound and time honored methods of interpretation which can be applied to any topic of scripture Unlocking the Scriptures Hans Finzel, 2013-04-13 This updated classic leads the reader through the inductive Bible study process showing practically how to study the Bible for one's self With this tool Christians can learn to relevantly apply God's Word to their lives as His Spirit leads them personally rather than as some other leader might direct Originally published in 1986 Finzel's style remains very accessible providing practical examples that walk the reader through the steps of unpacking Scripture using actual passages to practice Free downloadable study guide and activities *Scandalous Stories* Daniel Emery Price, Erick Sorensen, Chad Bird, 2018-10-18 Parables are some of the most familiar stories in the Bible yet their interpretations and applications are anything but uniform *Scandalous Stories* is a sort of commentary on these familiar stories that are steeped in God's offensive grace and loving mercy for sinners and saints alike *The Bible and the people*, 1851 *Pure God* Gregory Wayne Edwards, 2013-12-31 *Pure God* addresses areas where Christians and non Christians often have uncertain beliefs If left unattended such beliefs become stumbling blocks for unbelievers and create doubt and confusion in the minds of believers The subject matter delves into controversial areas of eternal security the deity of Jesus the Holy Trinity baptism in the Holy Spirit speaking in tongues and prophesying *Pure God* provides insight found in no other book about the origin of the people of Nod and the identity of the Nephilim Moreover readers learn what the Bible teaches about faith sin salvation evil death and the end times *Pure God* is more than a simple question and answer book Ensuing

topics appurtenant passages of scripture and true to life illustrations progressively unravel the mystery of God Each chapter draws the reader closer to the Lord Jesus Christ Readers experience God s irresistible love and discover what it means to be a Christian Christ and Covenant Cecilia B.
