Hearings United States. Congress. House, 1965 Peace Corps Victim Patrick Shea, 2024-05-17 Witness the harrowing true story of an idealistic American Volunteer who ventured into the heart of Eastern Europe with the honorable intention of serving in the United States Peace Corps What awaited him in the former Soviet Republic of Georgia was a nightmare difficult to comprehend Struggling to aid the people he came to help he found himself targeted by those he least expected nearly killed by locals assaulted by a fellow volunteer and ensnared in a web of psychological manipulation orchestrated by a Peace Corps Country Director with sinister ties to military intelligence and the CIA As he battled to uphold the values he believed in he encountered a shocking reality the Peace Corps an institution revered for its humanitarian efforts was concealing a dark underbelly of corruption and negligence With courage and determination he embarked on a mission to

expose the truth Witness the exposure of a Peace Corps Cover Up and the illegal activities conducted by the Peace Corps to silence victims Peace Corps Victim is a searing indictment of an organization meant to embody compassion and humanitarian aid revealing instead a culture of deceit and betrayal Denied the medical care he desperately needed abandoned by those entrusted with his well being he teetered on the brink of despair Through this courageous whistleblower s account witness the staggering cost of service in the Peace Corps a journey marred by deception manipulation and the relentless fight for justice This is the raw unfiltered truth behind the glossy facade a chilling warning to the international community and all volunteers that the Peace Corps abuses victims
