Unrepentant Sinner The Autobiography Of Col Charles Askins:

Unrepentant Sinner Charles Askins, 1991-01-01 Colonel Askins is an adventurer Whether it be fighting his way out of an ambush hunting tiger in Asia or sniping along the Rhine Askins has done it with gusto Here he recounts his early days as a forest ranger his decade of slinging lead on the Mexican border his astounding success as a competitive pistol shot his combat participation in World War II his adventures as a paratrooper in Vietnam and his career as one of the world's leading big game hunters *Unrepentant Sinner* Charles Askins, 1985 Migra! Kelly Lytle Hernandez, 2010-05-03 Political awareness of the tensions in U S Mexico relations is rising in the twenty first century the American history of its treatment of illegal immigrants represents a massive failure of the promises of the American dream This is the untold history of the United States Border Patrol from its beginnings in 1924 as a small peripheral outfit to its emergence as a large professional police force that continuously draws intense scrutiny and denunciations from political activism groups To tell this story MacArthur Genius Fellow Kelly Lytle Hernandez dug through a gold mine of lost and unseen records and bits of biography stored in garages closets an abandoned factory and in U S and Mexican archives Focusing on the daily challenges of policing the Mexican border and bringing to light unexpected partners and forgotten dynamics *Migra* reveals how the U S Border Patrol translated the mandate for comprehensive migration control into a project of policing immigrants and undocumented aliens in the U S Mexico borderlands **Adventures in the West** Susanne George Bloomfield, Eric Melvin Reed, 2007-10-01 A collection of adventure stories set in the American West originally published in *The Youth's Companion* and *St Nicholas* two of the most popular children's magazines at the turn of the twentieth century captures life on the Western frontier and the values of the period in works by L Frank Baum Hamlin Garland Mary Austin and others Original **Coup in Dallas** H. P. Albarelli, 2021-11-16 The CIA Dallas and the Hard Details of the JFK Assassination *Coup in Dallas* leaves speculation and theory aside to give the hard details of who killed President John F Kennedy and how the assassination plot was carried out Through exhaustive research and newly translated documents author H P Albarelli uncovers and explains the historical roots of state sponsored assassination finding disturbing parallels to the assassination of JFK Albarelli goes beyond conventional JFK assassination theory to piece together the biographies of the lesser known but instrumental players in the incident such as Otto Skorzeny Pierre Lafitte James Jesus Angleton Santo Trafficante and others Albarelli provides shocking detail on the crucial role that the city of Dallas and its officials played in the maintenance of Dallas as a major hub of CIA activity and how it led to JFK's assassination and its cover up Go beyond LBJ Lee Harvey Oswald and Jack Ruby and read the full definitive account of what happened on November 22 1963 and how it came to fruition **Inside the Crosshairs** Col. Michael Lee Lanning, 2013-06-19 The American sniper could be regarded as the greatest all around rifleman the world has ever known At the start of the war in Vietnam the United States had no snipers by the end of the war Marine and army precision marksmen had killed more than 10 000 NVA and VC soldiers the equivalent of an entire division at the cost of under 20 000 bullets

proving that long range shooters still had a place in the battlefield Now noted military historian Michael Lee Lanning shows how U S snipers in Vietnam combining modern technology in weapons ammunition and telescopes used the experience and traditions of centuries of expert shooters to perfect their craft To provide insight into the use of American snipers in Vietnam Lanning interviewed men with combat trigger time as well as their instructors the founders of the Marine and U S Army sniper programs and the generals to whom they reported Backed by hard information and firsthand accounts the author demonstrates how the skills these one shot killers honed in the jungles of Vietnam provided an indelible legacy that helped save American lives in Grenada the Gulf War and Somalia and continues to this day with American troops in Bosnia
