Davis, 2014-08-28 Focusing on what led to chaos resentment and hostility from abuse and neglect during my childhood guides my journey to a testimony of hope and healing During my search for healing I discovered it s not the details in my story but the outcome from my journey that holds great substance Clarifying what this means to me has come after repeatedly processing the pain from past memories and attempting to make sense of the what s and why s I now realize it s more critical to endure the pain of emotional surgery and rid myself of what polluted my heart rather than allowing my mind to be consumed with a past that lead to no positive outcome A simple approach I ve embraced is gracefully vomiting up the painful details that became my soul s disease since the solution to being free of most diseases requires major surgery To be set free from the weight of my past I had to purge all destructive coping patterns leading to my disease and replace them with something else I had a choice remain stuck in these details at a great cost to my well being or remove what caused my soul s disease to interfere with everything I desired to be relationally linked to my marriage children and even my worship with God There s nothing pleasant about regurgitating

however the effort of doing so brought me great freedom and forgiveness as the replacement of this weight led to a positively beautiful outcome You too can find hope Be still and know that I am God Psalm 46 10 Bought Free Donna L.

Watkins,2007-11 You have begun an encounter with the reality of the one true living God This book was written by direction of the King of Kings for there is no other way Donna would have written a book As she shares with you in this book she is very happy not even to be noticed You will be taken on a journey that was difficult and lonely This journey came close to having a tragic eternal ending but for the grace of God It is the personal story of a woman growing up in difficult circumstances Life did not become more bearable until she discovered the One who loved her It is the story of His love and persistence and of her willingness to do things His way Her story will draw you along the way to freedom and identity as she lays out before you landmarks on the road to love joy peace and fulfillment As you are drawn into her story you will discover it is your story as well for you too have a story of redemption for you too have been Bought Free DONNA L WATKINS was married to John Watkins and reared five children Donna is active in church and with Victorious Ministry Through Christ a ministry to bring healing to the body of Christ John died in 1994 and in 1997 God called her to be the Coordinator for VMTC This involves putting on schools to teach a pattern of prayer to bring healing While sharing at these schools Donna saw the need to write how God has healed strengthened and used her for His benefit This book is the result of God s call to share His power in her life so that others would be inspired to call on Him as their Redeemer **The Moth Presents: All These**

Unshackled Lukas Allison, 2025-07-03 Unshackled is a deeply personal and biblically grounded exploration of one of the most misunderstood and transformative themes in Scripture forgiveness Written for those who are weary of carrying the weight of resentment rejection and unresolved pain this book offers both empathy and guidance for anyone seeking freedom through Christ Drawing from the author's own rocky journey with receiving and extending forgiveness the book invites readers into a vulnerable and grace filled space where healing can begin Through the lens of biblical giants some who modeled forgiveness and others who struggled with it readers will gain insight into the human heart and the divine call to release offense At the center of this journey is Jesus whose teachings on forgiveness challenge our natural instincts and offer a radically different way of living The book doesn't shy away from the heaviness of betrayal abuse or emotional wounds Instead it walks readers through the pain with honesty compassion and hope Whether you're in a season of active hurt wrestling with past offenses or simply preparing your heart for future challenges Unshackled provides practical steps and spiritual tools to help you Identify the roots of unforgiveness in your life Understand what biblical forgiveness truly means and what it doesn't Learn how to forgive without minimizing the pain Embrace the freedom that comes from releasing others into God's hands This is not a quick fix manual or a guilt laden sermon It's a companion for
