Revelation Scotty Smith, 2020-08-24 When the difficulties of life suggest that evil and chaos reign we need to see that God occupies the throne in heaven and rules this world In this fourteen week study of Revelation pastor and author Scotty Smith reminds us that in troubled times our hope is in our champion Savior who is with us and will one day make all things right *The Power of Truth in Perilous Times* Marcus E. Drake, 2024-09-25 Real Hope in the Midst of a Culture Gone Awry Yes we live in this kind of culture and world However it is clear in the Bible that the more we pursue the knowledge of God as defined and described in Scripture and the more we are devoted to him the more he will work in us and through us during the perilous times in which we live Therefore in thinking about the extraordinary impact biblical truth can have on our

society this book focuses on three vitally important areas in the Bible how God reveals his existence through nature and his Word how he discloses his character through his attributes and promises and how he calls his people to seek the knowledge of himself through the fear of the Lord and the bearing of his image Thus the purpose of this book is to lead believers into a deeper understanding of what God is like a deeper understanding of what he has promised to those who know him and a deeper understanding of the unshakable hope and strong encouragement we have in God s Word as we live in a confused and deteriorating culture Rather than simply decrying the devastating changes in our nation and world this book clearly proclaims the hope that is ours in the very nature and character of God himself the identity and security believers have in Christ and the biblical guidance we need in order to be salt and light in our generation A God centered truth loving Christ exalting approach to life changes everything

The Gospel in the Dock Bryan M. Christman,2021-08-10 C S Lewis famously penned the phrase God in the Dock and proposed that there was a great divide between ancient and modern humans in that our ancestors would have rightly seen themselves in the dock before God while we moderns have placed God there before us But what if what God s love most desires for us the gospel or good news of the only way of life for humanity has been in the dock before us from the time of Adam and Eve And what if it is also the case that the gospel is often in the dock as though it is not good even for the church This book builds upon and expands the life and death stakes Lewis proposed by demonstrating that the gospel way of faith itself has been placed in the dock by us and in many ways ruined our relationships with God with our own selves with one another and even with the natural world itself which we are meant to steward for its good In these pages the reader will discover why the gospel that requires faith is good news but why we so tragically default to our divisive and self destructive ways

Jesus the Pastor John W. Frye,2010-08-03 A personal and practical guide to help pastors find Jesus as their mentor For decades Paul has been the model for today s pastors But Pastor John Frye says we must instead look to Jesus as our model While we may lift Christ up as Savior as we bow down to him as Lord as we marvel at his offices of Prophet Priest and King as we walk with him as Friend we seem to ignore him as the supreme Senior Pastor Sharing thought provoking biblical insights and personal experiences Frye calls other pastors to become apprentices to Jesus himself He is the One who invites pastors to watch him in action and draw close so he can shape who they are and how they fulfill their ministry Why have pastors and churches not been driven to Jesus as the central and controlling focus for the pastoral vocation and ministry in the local church He s been relegated to other dimensions of Christian and local church experience Jesus is shoved into our shadows as we read our management books do our cultural surveys attend our leadership seminars and applaud or criticize one another s endeavors John Frye in *Jesus the Pastor*

Hope Revealed Robert P. Vande Kappelle,2013-08-23 Hope Revealed sets the record straight Revelation is not as bizarre and vindictive as many have imagined Its message is hopeful not pessimistic world

affirming not world denying and thoroughly congruent with the biblical emphasis on love reconciliation and forgiveness Revelation invites us to drink deeply from its metaphors of promise and warning vision and blessing While Revelation s method and theological conceptuality are relatively different from the rest of the New Testament once they are appreciated in their own right they contribute to make this book not only one of the finest literary works in the Christian canon but also one of the greatest theological achievements of early Christianity **Revelation** Terrell E. Lewis,2016-12-22 I dont believe God meant for any part of the Bible to be confusing All scripture is given by inspiration of God 1 Tim 3 16 Everyone should benefit from understanding what happens during the tribulation period or where will the people of God live eternally I hope to give clarity to the book of Revelation and incite interest in readers to study the exciting conclusion of the Bible

,2014 Formally approved by Pope Francis this present work is the contribution of the Pontifi cal Biblical Commission toward
a more adequate understanding of the concepts of inspiration and truth that respects both the nature of the Bible and its
signifi cance for the life of the Church Drawing on a close reading of the Scriptures themselves the document focuses on
three main aspects 1 The inspiration of Sacred Scripture and the exploration of its divine provenance 2 The truth of the Word
of God emphasizing the message about God and his project of salvation 3 Challenges that arise from the Bible itself on
account of certain aspects that seem inconsistent with its quality of being the Word of God
