Urban Monstrosities Joseph Lamperez, Ali McGhee, 2018-07-27 Sign of sublime excess and transgression guardian of the threshold and uncanny creature par excellence the monster of late has also become a mainstay of urban narratives even while its presence in these texts remains untheorized The authors in

this collection show how artists and writers across the past two hundred years from William Wordsworth to China Mi ville figure the monster as a barometer of changing urban patterns Here monstrosity becomes the herald of embryonic social forms and marginalized populations in portrayals of cities across media from video games film and avant garde sonic experiments to written tales of urban fantasy and gothic ruin This volume suggests that poetic and municipal structures evolve in tandem Within its chapters unearthly buildings and beings signal a host of new urban dispensations **The Aesthetics of Violence in the Prophets** Julia Myers O'Brien,Chris Franke,2010-04-08 At the 2006 annual meeting of the Society of Biblical Literature the Prophetic Texts in their Ancient Contexts section devoted a session to the theme The Aesthetics of Violence Participants were invited to explore multiple dimensions of prophetic texts and their violent rhetoric The results were rich engaging discussion of violent images in ancient Near Eastern art and in modern film as well as advancing our understanding of the poetic skill required for invoking terror through words This volume collects those essays as well as others especially commissioned for its creation As a collection they address questions that are at once ancient and distressingly modern What do violent images do to us Do they encourage violent behavior and or provide an alternative to actual violence How do depictions of violence define boundaries between and within communities What readers can and should readers make of the disturbing rhetoric of violent prophets Contributors include Corrine Carvahlo Cynthia Chapman Chris Franke Bob Haak Mary Mills Julia O'Brien Kathleen O'Connor Carolyn Sharp Yvonne Sherwood and Daniel Smith Christopher Cataclysm, Books 1-4 Ann Gimpel,2021-02-14 Bundled together for the first time Over 1200 pages of riveting vampiric urban fantasy Harsh Line My very existence is under attack I've kept a low profile told myself the craziness sweeping the world would pass me by Yeah it was wishful thinking actually an outright lie but it's kept me sane I've been hiding out forever in one guise or another Currently I run a nightclub Ascent is an ask me no questions and I'll tell you no lies haven't For everybody I'm a Vampire Far be it from me to judge My closest ally is a shapeshifting dire wolf I adopted him when he was a scrawny puppy but I'm getting ahead of my tale The fragile détente between supernaturals and humans has crashed and burned I can't avoid the truth any longer Lucky for me mortals don't know exactly what I am When I moved to Seattle some vampiric sixth sense urged me to play my cards close to my vest but I'm done burying my secrets And my power Warped Line I chose stasis a long sleep for me and two of mine Hard to time these things but we woke in the eye of a cyclone When I went to sleep to avoid being drained of magic and blood by dark Sorcerers Vampires weren't exactly on the endangered species list but not many of us are left No one ever accepted us Not mortals and not others with power either At least one of those dams has developed a few cracks Supernaturals aren't quite welcoming but they'll take help from any quarter Mortals have declared war on magic and they won't rest until we're all sitting in iron clad prisons What a bunch of cowards If they weren't hiding behind false humanitarian walls they'd be honest about their intentions and do their damndest to kill us outright Cracked Line Vampires don't fall in love Except I did Not the best decision of my long life I

definitely cracked an unspoken line but Ariana trounced me as far as line crossing went Very few acts constitute crimes in Vampire circles Hers was the worst I fled to the Old Country to buy myself thinking time I still loved her but what she d done was so vile I couldn t set it aside We face huge problems but I m tackling them one by one I ll return to Ariana s side but perhaps only as her comrade in arms Time will tell if we can be more to each other Time and circumstances In a world without magic Vampires will wither along with every other magic wielder I cannot let that happen Broken Line In all my years as a Vampire hundreds of them I never imagined humans would be anything other than food Rich pure delectable blood Prey that fought back never posed a problem Mortals couldn t stand against those of us with supernatural ability That world still exists but it s taken a backseat to humans who ve joined forces with turncoat mages Mortals were never meant to wield power Over the long haul they re sure to be very sorry for the choices they ve made Maybe someday I ll be a humble innkeeper again but it s so far in the future I can t even think about it Nope For now all I see is blood Rivers of it and not running down my gullet either On the plus side I have good friends powerful allies and a Vampire who loves me We have to come through this unscathed Have to I m Ariana Hawke and I take care of what s mine
